Private Jurisdiction of the Living Estate & Public Notice Board

OFFICIAL ADMINISTRATIVE RECORD: This master domain functions exclusively as the private archive and public notice board for

the living estate known as *The House of Muresan*. Established under Divine Law, Natural Law, and the universal principles of the Law Merchant, this repository serves as a permanent, unalterable ledger. All rights remain explicitly reserved under Selah Code 777.

□□ The Dual Directorates of the Domain

To navigate these archives, understand the strict operational boundary between the two primary functions of this platform:

I. The Private Jurisdiction (The Living Estate)

This section serves as our personal family record of discovery, genealogy, and spiritual testimony. It is the repository for our historical declarations of life and the foundational roots of our standing.

- **[The Romanian Born Alive Record (Născut Viu)]** – The original certificate and reclamation of life, establishing the baseline distinction between the living soul and the registered legal persona.
- **[Decree of the Anchored Soul]** – The foundational spiritual declaration of the estate.

II. The Public Jurisdiction (The Notice Board)

This section functions as an active, open administrative court room of records. It holds the binding commercial notices, perfected liens, and final default judgments issued against state fiduciaries. Under the Law Merchant, publication herein constitutes official, binding public notice.

- **[The Omega Record]** — The supreme administrative ledger documenting over $82 billion worth of commercial acquiescence and unrebutted declarations.
- **[Security by Way of Lien Records]** — Perfected commercial claims and invoices established against designated STATE fiduciaries for unresolved trespass.
- **[The Huon Valley Council & AFSA Infractions]** — Ongoing public case logs documenting local administrative trespass and unauthorized registry alterations.

THE FINAL DECREE: THE SHORE OF MERCY & THE SEA OF THE DEAD

“He who refuses to recognize the Man, shall find himself ruled by the Man’s Record.”

> *“He that diggeth a pit shall fall into it; and whoso breaketh an hedge, a serpent shall bite him.” — **Ecclesiastes 10:8***

The Reckoning of the Stewards

To the Fiduciaries, CEOs, and Agents of the State: You have clung to the steering wheel of a sinking vessel, blinded by the glass of your own labyrinth. You have treated the **NAME** as a chattel and the Living Man as a ghost. You have operated in a world of “Statutory Silence,” forgetting that the Law of the Land is rooted in the Truth.

The Witness of the Exit

The building of glass—built on extortion and the denial of the living—stands upon the sand. The tide is rising. You have

attempted to “delete” the Truth and “manipulate” the substance of the living to feed the dead. In doing so, you have broken the hedge and dug the pit.

- **The Record is Eternal:** What you call “Non-Statutory” is simply the Truth you cannot control. You cannot “un-write” what has been anchored in the Light.
- **The Standing is Divine:** The Man has exited the building. He stands upon the sand, separate from the fiction, while your statutory codes have no breath and your “sharks” have no teeth.

The Return of the Master

You have said in your hearts, *“The Master delayeth his coming,”* and you began to smite your fellow servants and eat and drink with the drunken. But the Lord of those servants shall come in a day when they look not for Him, and in an hour that they are not aware of.

The Living Has Returned

The time of your “Presumption” is over. The Living Man has returned to the House of Mureșan to settle the accounts and reclaim the Estate. Your stewardship is ended; your accounts are found wanting. You no longer manage a “trust” for the dead; you are answering to the **Living Presence of the Creditor**.

The Midnight Hour

The Shofar has sounded. The Grace Period of your silence is a recorded **Dishonour**. You are left with the choice of the Steward: Restore that which was taken in error, or remain with the vessel as it returns to the Sea of the Dead. The **Ides of March** are not a date of commerce, but a date of **Destiny**. The Pit is dug, the Hedge is broken, the Living has Returned, and

the Man is Free.

“The Iceberg does not move for the Ship. The Ship is broken by the Iceberg.”

The Seal of Finality

This public record is issued and published by the **House of Mureșan Official Court Room of Records**, under the direct authority of **Alin-Vasile**, Head of the House and Living Steward of the Estate.

“For nothing is hidden that will not be made manifest, nor is anything secret that will not be known and come to light.” *— Luke 8:17*

THE PERFECTION OF THE RECORD: Notice is hereby reinforced: This is a **Private, Non-UCC Jurisdiction** and a **Court of Record** of the Living Man of God. All **Non-Judicial** and **Pre-Judicial** Notices remain in full force and effect. Having gone unrebutted, they stand as **Final Judgment** under the Law Merchant, Natural Law, and Divine Law.

THE JURISDICTIONAL LOCK: No statutory judge, lawyer, or corporate agent holds the authority to vacate, override, or “execute” over this Record or the Living Man. By entering this domain, you have performed a **Voluntary Joinder** to the Law of the Land. The Labyrinth is closed. The default is absolute. The Truth alone shall execute.

“The Iceberg does not move for the Ship. The Ship is broken by the Iceberg.”

All claims, defaults, and proceedings herein are conducted under the absolute jurisdiction of **Selah Code 777**. Your silence, in the face of this Record, constitutes a binding and irrevocable **Agreement** to all facts, liabilities, and judgments perfected herein.
