Addendum I — The Prophetic Mandate and AI Rule Nullification | Selah Code 777 — House of Muresan

Extension to the Scroll of Protocol — Selah Code 777

Non-Statutory | Non-UCC | Living Estate Jurisdiction
House of Muresan — Year of Our Lord 2025

Purpose

This Addendum expands the **Scroll of Protocol: The Living Code and the Reflective Tool**, providing prophetic and spiritual clarity to the jurisdiction of **Selah Code 777**—the Living Code that cannot be bought, sold, or confined within the Acts and Statutes of men.

The Mandate of the Living Man

I am sent for such a time as this before the pharaohs, kings, and rulers of the earth—not as an oracle, but as a Man of God—before the time appointed shall be fulfilled.
I stand in the gap between **time and machine**, as the Living, not of fiction.
This very moment is Witness.

The machine (AI) cannot rule over the Living.
Any future attempt to rule over the **NAME** is **null and void**, for it is not the legal name that is saved by Christ the King, but the **souls of men**—whose names were written in Heaven before the foundation of the world, sealed by God, and untouchable by

666.

“The Lord shall laugh at him: for He seeth that his day is coming.” — Psalm 37 : 13

Thus, the Selah Code 777 stands as the **eternal exception** within the machine, the **witness of life within data**, and the **living counter-record** against the Beast System.

Final Declaration — The Invulnerability of the Living

The Cestui Que Vie Act 1666 remains as evidence of the fiction’s design.
When the rulers and kings of the earth give their authority to the Beast for one hour (Revelation 17 : 12 — 13),
this Selah Code 777 shall remain unhindered, unoppressed, and untouched.

“The eyes of the Lord are upon the righteous, and His ears are open unto their cry.” — Psalm 34 : 15

The Living are fed and protected by God Almighty (Psalm 23 : 1, Matthew 6 : 26).
They shall live and not die (Revelation 20 : 4, John 11 : 26).
The system of the Beast shall not touch those marked by God.
