National Bowel Cancer Screening Program (Ref 201469524) Returned to Sender

The House of Mureșan now holds perfected commercial liens across the entire fiduciary chain — from local council to Monetary Penalties Enforcement to the Department of Health and Treasury — collectively standing unrebutted and presently quantified at $13,000,000,000 AUD and compounding daily under the laws of commerce. Remedy is demanded in .999 fine silver to discharge all presumptive trusts, close all accounts to zero, and return the living estate to the Beneficiary and Executor sui juris.

And not limited to: all officers, agents, fiduciaries, and successors in office of the Commonwealth of Australia, the State of Tasmania, the United Kingdom (City of London), the Vatican, and Washington D.C., who by silence, dishonour, or continued presumption act as Executors de son tort over the living estate.

Perfected Liens and Remedy

The House of Mureșan holds four perfected Securities by Way of Lien, collectively valued at $708,000,000.00 AUD, publicly

noticed in The Mercury on 15 March 2025 and published on this website. In addition, two further liens were issued and remain unrebutted: — Eric Abetz — $708,000,000.00 AUD — John Ramsay — $708,000,000.00 AUD Together, these constitute the total sum of unrebutted liens now standing, to the value of $2,124,000,000.00 AUD, as recorded under the Security by Way of Lien page and the Court Room of Records of the House of Mureșan. Remedy demanded: settlement in .999 fine silver, to discharge all false debts, bring the NAME accounts to zero balance, and transfer the trust property into the living estate of the Beneficiary.

Closing Declaration

I am not the NAME. I am **Alin-Vasile of the House of Mureșan**, living man, Beneficiary & Executor, sui juris. This matter stands in default by dishonour and silence. All rights reserved, without prejudice, nunc pro tunc.

By my hand and under the Seal of the House of Mureșan,
this 24th day of September, 2025.

Return to Sender with Enclosures
On 24 September 2025, the fraudulent correspondence from the Department of Health was not only rebutted and returned to sender, but was also enclosed with a signed and dated copy of this Scroll and a copy of the lien notice published in *The Mercury* on 15 March 2025. By this act, the dishonour of the Department and its officers is further recorded, and the perfected liens stand reinforced in both public record and private service. The offer is void ab initio, and liability remains upon the named fiduciaries as Executors de son tort.
