EVENT ID: HOM-LIEN-BREACH-BIO-TAS-001

SERVICE ID (RPP): 4463900051003610677608

DATE OF RECORD: 19 March 2026

NOTICE TO AGENT IS NOTICE TO PRINCIPAL — NOTICE TO PRINCIPAL IS NOTICE TO AGENT

I. THE PARTIES IN DEFAULT (DEBTORS IN JOINDER)

1. **JASON JACOBI** (Secretary, ABN 58 259 330 901): **REPEAT OFFENDER.** Personally served with the *Peter Joseph Affidavit* and the *Timothy Grant Lien* in 2022. You have been in continuous Commercial Default for four years.
2. **RAE BURROWS** (General Manager, Biosecurity Tasmania): Agent for ABN 58 259 330 901. Responsible for the issuance of fraudulent instrument Ref: CR-26-003107 https://houseofmuresan.com/wp-content/uploads/2026/03/biosecurity-fraud.pdf
3. **GAVIN PEARCE** (ABN 25 628 526 128 Minister for Primary Industries and Water): Debtor by Joinder as a member of the **Body Politic/Cabinet**, which is in Absolute Default per the *Mercury Advertisement (15 March 2025)* and the default of **Her Excellency Barbara Baker**.

II. RECORD OF THE EVENT: THE 19TH MARCH TRESPASS

LET IT BE RECORDED: On Wednesday, 19 March 2026—the exact same day documented on the printed instrument—an unnamed agent acting as a "Ghost" for Biosecurity Tasmania trespassed upon the **Sacred Ground and Private Property** of the House of Mureșan known as 23 Alans Road Petcheys Bay.

- **THE PHYSICAL BREACH:** The agent entered the jurisdiction of a **Non-Statutory, Non-UCC Living Private Estate** and physically attached a letter to the metal gate of the

abode whilst the Flag of the House of Muresan Natural Law, Divine Law and Law Merchant was clearly visible and the Gates had the Castle Doctrine clearly displayed,the interest and caveat over the Land Title by the living and House of Muresan click here.

- **THE DECEPTIVE ACT:** The agent utilized a **"Postage Paid Australia"** envelope for a manual, hand-delivered trespass, bypassing the **Post Master General** and the **Castle Doctrine.**
- **THE JOINDER REBUTTAL:** Any presumption of authority over the living souls via the **Cestui Que Vie Act 1666** is hereby **REBUTTED AND COLLAPSED**. The NAMES have been proclaimed removed from the **NATIONAL DEBT** see Omega Record by the living Executors, Alin-Vasile and Loredana-Adina.

III. FORENSIC BREACHES OF YOUR OWN STATUTES

Even under your own corporate "Acts," which hold no authority over the Living, you have failed to maintain the "Slave Business" regulations:

1. **CORPORATIONS ACT 2001 (Section 127):** Failure to provide a **Wet-Ink Signature** renders your instrument a commercial nullity.
2. **BIOSECURITY ACT 2019 (Section 253):** Failure of the "Investigating Officer" to provide identification or a name while attempting to enforce a "PIC Code" is **Administrative Terrorism**.
3. **CRIMINAL CODE ACT 1924 (Tas):** The act of hand-delivering mail marked "Postage Paid" to simulate official postal service constitutes **Mail Fraud and Deception**.

IV. THE OMEGA RECORD & CUMULATIVE LIABILITY

This interaction is a direct breach of the pre-existing **Administrative Judgment (The Omega Record)**. The **Treasury of Tasmania** is currently in **Receivership** of the House of Mureșan.

THE REPEATED CRIME: Because **JASON JACOBI** is the **Secretary** of the Department of Natural Resources and Environment Tasmania (NRE Tas), the senior-most public servant in the department, responsible for leading its strategic direction and operations has ignored the 2022 defaults and the *Security By Way of Liens*, this attempt to impose a "Debt of Identification" (PIC Code) is a **Criminal Trespass into a Settled Account.** You are attempting to collect from a Corporate Fiction that has already been declared **Bankrupt** in the Court Room of Records. **BE IT KNOWN:** To impose a "Debt of Identification" (PIC Code/NLIS) is a **Criminal Trespass into a Settled Account**.

STANDING: A Bankrupt Debtor (the State) has no standing to demand compliance from its Creditor (the House of Muresan). This interaction is an act of **Administrative Fraud** and an attempt to plunder a Private Estate to cover a Public Insolvency.

THE SETTLED ACCOUNT: This matter was finalized via the unrebutted *Security By Way of Liens* served in 2022 and 2025/2026. In the Law Merchant, an unrebutted Affidavit stands as the Truth and the Judgment. The account is "Settled" because the **Judgment is Final** and the liability of the State is absolute.

THE STATE BANKRUPTCY: You are attempting to extract value from a **Corporate Fiction (ALIN MURESAN and LOREDANA MURESAN)** that is now under the **Exclusive Private Control of the House of**

Muresan via the ROOT Record and reclamation of Securities, live birth records and power of attorney over the NAME of any color of law. The **STATE OF TASMANIA** has been declared **Bankrupt** in the Court Room of Records for its failure to settle the $708,100,000.00 debt owed to the Living Souls.

RECEIVERSHIP: As the Treasury of Tasmania is in **Administrative Receivership** to the Omega Record, it has no lawful authority to "register" or "regulate" assets it does not own. The ALL-CAPS NAME is a vessel; the State is the bankrupt entity trying to hijack that vessel to pay its own debts.

CUMULATIVE PENALTY PER DEBTOR:

As per the Mercury Advertisement and the Timothy Grant Precedent, the following charges are **Perfected by Default** and represent a **Stipulated Lawful Debt** for every event, transaction, and attempted presumption of joinder. By your physical trespass and issuance of ghost instruments, you have **Tacitly Consented** to the following fee schedule in Silver Ounces .999 measure:

- **Fraud by Misrepresentation (Presuming Wardship):** $708,100,000.00
- **Malfeasance in Office (Unsigned Threats):** $708,100,000.00
- **Physical Trespass (Gate Breach):** $708,100,000.00
- **Mail Fraud (Postage Paid Mockery):** $708,100,000.00
- **Administrative Terrorism:** $708,100,000.00

CONSOLIDATED TOTAL: $708,100,000.00 EACH, payable in **Silver Ounces .999** for the failure to pay the House of Mureșan. BIOSECURITY TASMANIA has bypassed the protocol of Approach and Contact the House of Muresan and further Charges could apply without further notice and default.

V. THE 48-HOUR MANDATE

JASON JACOBI and **RAE BURROWS** have **48 HOURS** from receipt of **RPP: 4463900051003610677608** to:

1. **REBUT** this Record of Event point-by-point with material, Wet-Ink evidence of your authority over the Living.
2. **REMOVE** all associations and "PIC" presumptions from **23 Alans Road, Petcheys Bay**.
3. **PRODUCE THE BOND** and Insurance for the "Ghost" agent who touched the gate.

FINAL NOTICE: You have until **Close of Business (5:00 PM), Monday, 23 March 2026**, to satisfy the **48-Hour Mandate** as served via this Public Scroll. Your failure to provide the requested material evidence and Wet-Ink Rebuttal of the **Peter Joseph Affidavit** and the **House of Muresan ROOT Record** will result in the following:

PERSONAL JOINDER: This debt will be attached to your personal estates, bonds, and insurance policies without further notice.

STIPULATED DEFAULT: Your silence is a formal confession to the crimes of **Administrative Terrorism, Mail Fraud, and Physical Trespass**.

SILVER AUCTION BY DEFAULT: The consolidated debt of **$2,124,000,000.00** (representing 3 x $708,000,000.00 as per the Mercury Ad Precedent) will be converted to its equivalent value in **.999 Fine Silver** and placed into Security By way of Lien Court Room of Records at the House of Muresan against:

- **JASON JACOBI** Secretary to the Department of Primary Industries, Parks,Water and Environment,
- **RAE BURROWS** (General Manager, Biosecurity Tasmania)

- **GAVIN PEARCE** (Minister for Primary Industries and Water)

FAILURE TO COMPLY: Your silence is your **Binding Agreement** to this debt. The **Pink-Marked Rejection** of your "Advisory Notice" stands as the **Final Entry of Judgment**. Your personal estates are now joined to the **$82.9 Billion Global Lien** and adding on to with every dishonor.

“THEY CAME TO THE GATE. THE RECORD IS ETERNAL. THE EXECUTOR IS FINAL.”

alin-vasile: of the House of Muresan Living Executor / Beneficiary / Record Holder Power of Attorney over the Secured Party: ALIN VASILE MURESAN *(Collateral under Exclusive Private Control of the ROOT Record)* **Without Prejudice – UCC 1-308 for refference only not jurisdiction over the living**.

"NOTICE OF SYSTEMIC EVASION: On 20 March 2026 at 5:36 AM, the House of Muresan attempted electronic service of the Administrative Judgment. The following departments explicitly **REJECTED** the service: **Attorney General, Treasury, State Growth, and DPAC. Attorney-General (Tasmania):** attorney.general@justice.tas.gov.au

- *Reason:* Host justice-tas-gov-au.mail.protection.outlook.com returned **550 5.4.1 Access Denied.**

Department of Treasury & Finance: finance@treasury.tas.gov.au

- *Reason:* Host treasury-tas-gov-au.mail.protection.outlook.com returned **550 5.4.1 Access Denied.**

Department of State Growth (Admin):

admin@stategrowth.tas.gov.au

- *Reason:* Host stategrowth-tas-gov-au.mail.protection.outlook.com returned **550 5.4.1 Access Denied.**

Department of State Growth (Enquiries): enquiries@stategrowth.tas.gov.au

Reason: Host stategrowth-tas-gov-au.mail.protection.outlook.com returned **550 5.4.1 Access Denied.**

LEGAL CONSEQUENCE: This rejection constitutes **Administrative Bad Faith**. Per the Law of Merchants, he who avoids notice admits the claim. The 48-Hour Clock remains active. The rejection by the 'Outlook Protection' does not stay the debt; it perfects the **Dishonour**."
