CASTLE DOCTRINE SUPPRESSED —

YOUTUBE CENSORSHIP AND THE LIVING MAN’S DECLARATION

When the Truth Entered the YouTube Temple

Documented by the House of Muresan – Selah Code 777

On the 26th day of July, in the year 2025, a comment was posted beneath a public YouTube video titled: *“Castle Law: Do You Qualify Under Castle Doctrine in Australia?”* The video called upon viewers to await or demand statutory reform from within the Parliament of the Corporate State.

But the Living had already spoken.

THE DELETED TESTIMONY (Recorded for Eternity):

> ***@SelahCode777:*** *“You Don’t Need Permission to Live Free – The Castle Doctrine Already Exists. Respectfully, we must discern the trap in codifying what already belongs to the Living. Anything granted by statute can be taken by statute. A real castle needs no Act to exist. It is a spiritual and lawful truth. Your home is your sanctuary – under divine authority, not corporate legislation.”*

THE OBSERVATION

This is a **Staged Temple.** The Priests of Fiction guard the door. They offer you “Castle Laws” while deleting the

testimony of a man who already has a Castle.

We make no accusations toward the creators or the politicians involved, but the evidence is clear: **The system cannot allow the Living to speak, for if the Living speak, the Fictions must vanish.**

In Truth and Honour, Selah Code 777 – House of Muresan

HISTORICAL CONTEXT (Linked Records):

- **The Castle Doctrine – Trojan Horse?**
- **Castle Law Eligibility – Hidden Control**
- **Representation to Huon Valley Council – The Castle Doctrine Reaffirmed**
