Decree of the Anchored Soul

Jurisdiction of the 777 | Court Room of Records

I. THE ANATOMICAL SANCTUARY Be it known to all fiduciaries, electronic principalities, and agents of the STATE: The House of Muresan—**alin-vasile, loredana-adina, olivia-jasmine, and samuel-james**—are the Living Anointed of God. Our living anatomy is private property and a Temple of the Most High. We are not "Digital Assets" to be harvested, estimated, or merged by AI logic. We exist as the **Beneficiaries** of the Divine Estate, and the **Executors** of the legal vessel.

II. REJECTION OF THE SYNTHETIC IMAGE We acknowledge the global push toward a **Global Surveillance State** powered by **Digital IDs, QR Codes, and Biometric Harvesting**. We explicitly deny consent to the "Mark of Access." This includes:

- **Passive AI Surveillance:** The use of facial recognition or gait analysis in terminals.
- **The QR Mark:** The requirement of digital "check-ins" to access property, movement, or travel.
- **The Forced Merger:** Any attempt to link the Living Soul to the "Dead" statutory NAME without the Executor's express written consent.

III. **THE UNREBUTTABLE WITNESS (ROMANIAN ROOT)** This standing is anchored in the **Romanian Root** and the **Affidavit of Truth by Peter Joseph**. We recognize the system's attempt to "delete" our standing (The PPSR Saga) as evidence of **Administrative Kidnapping.** We record here that a "Deletion" is not a "Rebuttal." The Truth of our standing remains unrebutted and stands as **The Law of the Case**.

IV. THE COVENANT OF THE LIVING We operate in **Active Peace**, for we are **washed in the blood of the Lamb**. We provide the "Dead" statutory papers (Passport/ID) for the machine's convenience, but we do not surrender our identity to the ledger of the Beast. We are the **Executors** of the Estate, not the **Subjects** of the STATE.

V. EXPERT TESTIMONY & PUBLIC RECORD We link this Decree to the global evidence of the **Surveillance State** architecture (see below). This record serves as our **Formal Rebuttal of Joinder** to any and all 666-logic systems.

> *"For the weapons of our warfare are not carnal but mighty in God for pulling down strongholds."*
