Selah Code 777 SCROLL OF TERRITORIAL DOMINION Superseding the Historical "Castle Doctrine"

Jurisdiction: Selah Code 777 | Status: Ecclesiastical Sanctuary Authority: Divine Law, Natural Law & Lex Mercatoria (Superior to Statutory Acts)

HISTORICAL PREFACE & THE TURNING POINT

In May 2022, the House of Muresan invoked the "Castle Doctrine" to repel Council interference. While successful, that defense relied on the Common Law of the State. **[VIEW THE 2022 HISTORICAL RECORD]** and Security By way of Lien against John Ramsay at Tasmanian Planning Commission and Jason Browne former Manager at Huon Valley Council Security By way of a Lien

THE SHIFT IN DOMINION (The Pinnacle): On **15 March 2025**, via Public Notice in *The Mercury* newspaper, the Living Man Alin-Vasile closed the circle of awareness. We ceased operating as a "Subject" defending a Castle and rose as a **Sovereign** defending a Sanctuary.

THEREFORE, LET IT BE KNOWN: From that date forward, we no longer ask for rights under the Castle Doctrine. We declare **Absolute Dominion** under **Selah Code 777**. The "Implied Right of Access" did not merely expire; it was dissolved by the higher

authority of Divine Law.

1. DECLARATION OF ABSOLUTE DOMINION

KNOW ALL MEN BY THESE PRESENTS:

The living land and soil geographically situated at and commonly referred to as **23 Alan's Road, Petcheys Bay**, is hereby declared **Ecclesiastical and Sovereign Territory** under the stewardship of the House of Muresan.

We do not rely on:

- The "Castle Doctrine" (State Common Law).
- Planning Schemes or Zoning Acts.
- Corporate Permissions.

We stand solely on:

- **Divine Right:** The mandate given to Man to have dominion over the earth (*Genesis 1:26*).
- **Selah Code 777:** The exclusive private law form of this House.
- **Lex Mercatoria:** We trade and interact strictly by Contract and Consent.

2. PROHIBITION OF ENTRY (STRICT LIABILITY)

ORDER TO ALL AGENTS, OFFICERS, AND CORPORATE EMPLOYEES:

You have **NO JURISDICTION** on this soil. The "Implied Right of Access" is **VOID AB INITIO** (Void from the beginning).

Any attempt to enter this territory for the purpose of:

1. Serving Summons or Notices.
2. Conducting "Surveillance" or "Assessments."
3. Enforcing Statutory fines.

…is a **Hostile Act of Commercial War** and a violation of Spiritual Sanctuary.

3. THE PENALTY

Because this land is outside your jurisdiction (Non-Statutory / Non-UCC), any entry is an act of **Foreign Aggression**.

The Consequence:

- **Commercial Liability: AUD $200,000,000.00** (Two Hundred Million) per footstep payable in .999 silver oz.
- **Sovereign Defence:** The Living Man reserves the right to use **All Necessary Force** to remove foreign combatants and trespassers from this sanctuary.

NOTICE: We do not dial “000.” We invoke **Selah Code 777**. We do not call the “Police.” We call upon the **Host of Heaven** and enforce our own Security.

Govern Yourselves Accordingly.

Sealed by the Living Man:

Alin-Vasile of the House of Muresan
