This Doctorate Thesis is a **Private Executive Record** of the House of Muresan. It is intentionally **Non-Registered** within the Statutory Academic Institutions of the Corporate State.

The Taint of the 'Educated': > The House of Muresan recognizes that modern Statutory Education is a "Franchise of the Fiction," designed to train the mind to serve the **Mimicry** while ignoring the **Substance**. To seek "Accreditation" from such institutions would be to **taint** the Divine Truth herein with the stench of commercial debt and statutory bondage.

ON THE FREEDOM OF DISCUSSION & THE PROHIBITION OF DISPUTE

The Grant of Public Reflection: While this remains a **Private Non-Registered Thesis,** the House of Mureșan hereby grants the public sector, universities, schools, and Doctors of all disciplines the liberty to discuss, debate, and reflect upon this research. We invite the expansion of the human mind through the **God-Given Gift of Free Will**.

The ‘No-Argument’ Clause: This invitation is extended under a strict **Non-Argument Protocol**. ‘Non-Argument’ is defined as the absolute prohibition of any attempt to discredit, litigate, or use statutory authority to diminish this work or the House’s right to free thought and expression.

“Come now, and let us reason together, saith the Lord.” — **Isaiah 1:18**

Source of Authority: The qualifications of the Author, **Alin-Vasile of the House of Mureșan**, are not derived from the “Paper Mills” of the State, but from the **Original Record** (The Word of God) and the **Living Spirit**. This Thesis is not a request for “Peer Review”; it is a **Forensic Judgment** rendered by the Executor.

“For the wisdom of this world is foolishness with God.” — **1 Corinthians 3:19**

This Thesis provides the **Forensic Proof** that the “Administrative State” is a derivative mimicry with no original jurisdiction over the Spirit-Breathed Man. It deconstructs 3,000 years of jurisdictional drift to restore the **Executor** to the Sanctuary.
