Dreams and Visions

Prophetic Ledger, House of Muresan, Divine Instructions

Divine Law and Personal Testimony how dreams speak louder than words.

The Law of the Land is subordinate to the Law of the Creator. In this Record, we document the dreams and visions that served as the primary ‘Warnings and Instructions’ from the Supreme Court of Heaven.For Example Before a Licence Renewal Notice arrived in the physical mailbox, the Spirit provided the Forensic Evidence of the fraud. These are not merely ‘dreams’; they are the documented proof of **Precognition and Divine Intervention**, confirming that the House of Mureșan stands by Heavenly Decree, not human will. ‘For God speaks once, yes twice, yet man perceives it not—in a dream, in a vision of the night…'” (Job 33:14-15).
