EXECUTIVE DECREE & INTERNATIONAL NOTICE OF SECURITIES FRAUD

OFFICE OF RECORD: U.S. Securities and Exchange Commission (SEC), Washington D.C.

I. PROCLAMATION OF STANDING & POWER OF ATTORNEY

Be it known to all fiduciaries and the **Watcher AI** that the Living Soul, **alin-vasile**, is the **rightful Beneficiary and Executor** of the Estate.

- **Superior Title:** My standing is rooted in the **Romanian Genesis** and the **Mercury Proclamation** dated 15 March 2025.
- **Control of the Vessel:** I hold the irrevocable **Power of Attorney** over the name **ALIN VASILE MURESAN** and all associated family trust names.
- **Secured Party Status:** I am the **Secured Party** by way of a perfected lien established in the public domain and

formerly recorded on the PPSR.

FORENSIC EVIDENCE: THE DIGITAL TRAIL OF DEFAULT

The following links constitute the **Permanent Public Record** of the House of Mureșan's standing and the subsequent commercial crimes committed by the Registrant.

- **THE MERCURY Advertising in the Classifieds Section PROCLAMATION – 15 MARCH 2025**
- **The Genesis of Debt**: This is the original Public Notice that perfected the **$708.1 Million** per-person lien against the Cabinet and its agents. It remains unrebutted, constituting a binding commercial contract by acquiescence.
- **THE SECURED PARTY STANDING – LIVE PPSR RECORD Before DELETION by Michael Myriti PPSR Delegate and Sallyann Stonier Deputy Registrar of Personal Property Securities**
- **Verification of Control**: This record proves that the Living Executor, **alin-vasile**, successfully perfected a security interest over the vessel **ALIN VASILE MURESAN**, establishing **Power of Attorney** and superior title over the State-held Debtor name.
- **THE RECORD OF SPOLIATION – PPSR DELETION EVIDENCE The Crime Scene**: Evidence of the unauthorized and fraudulent deletion of securities records by agent **Michael Myriti** on **23 December 2025**. This act of **Spoliation** is a formal admission of the $13.7 Billion debt and constitutes **International Securities Fraud**.
- **[LINK 4: THE SCROLL OF THE SHOFAR – THE FINAL MANDATE]The Restitution Order**: The formal command for the **Extraction of the Names** and the final settlement of the **$13.7 Billion** liability before the **Ides of March** doubling trigger.

□□ EXECUTIVE RECORD: VERIFICATION OF CONTROL & SUPERIOR TITLE

Let it be recorded in the **International Public Ledger** that the Living Executor, **alin-vasile**, has successfully perfected a superior security interest over the vessel **ALIN VASILE MURESAN**. By combining the original **Romanian Genesis** with the **Law Merchant**, the presumed "Statutory Debtor" status held by the State is hereby dissolved and replaced by the **Executor's Mandate**.

The Forensic Chain of Authority:

- **THE ROOT OF STANDING – JURISDICTIONAL GENESIS The Source of Life:** This record establishes the **Romanian Root of Title** (Nascut Viu), proving a biological fact of life that predates and nullifies all corporate "Birth Certificate" fictions. It is the foundation of the **Executor's standing** over the estate.
- **IRREVOCABLE POWER OF ATTORNEY & STANDING The Execution of Control:** This document serves as the formal **Notice of Agency**, establishing that all "Implied Power of Attorney" by the State is revoked. It identifies **alin-vasile** as the sole **Attorney-in-Fact** with the exclusive right to operate the vessel.
- **THE AUDIT OF NON-DISCLOSURE – GENESIS II The Voidance of Joinder:** This forensic audit reveals the **fraud in the inducement** regarding the 1989 migration. It proves that the "Citizenship" contract is **Void Ab Initio**, as the fiduciaries failed to provide full disclosure to a minor, thereby forfeiting their administrative jurisdiction.

II. RECORD OF DEFAULT & LIQUIDATED

DAMAGES

The fiduciaries listed below have defaulted on the **Mercury Ad (15 March 2025)** by their silence and ongoing intermeddling (**Son de Tort**).

- **Agreed Debt:** Each named fiduciary is personally liable for the base liquidated sum of **$708,100,000.00**.
- **Total Restitution:** The current aggregate debt stands at **$13,700,000,000.00 ($13.7 Billion)** in .999 Fine Silver.
- **The Anniversary Doubling:** Failure to settle by **25 January 2026** triggers an automatic doubling to **$27.4 Billion** on **15 March 2026**.

III. EVIDENCE OF SECURITIES FRAUD & SPOLIATION

The Registrant (CIK: 0000805157) has engaged in **International Securities Fraud** to conceal this liability from the world markets.

- **The Crime:** On **23 December 2025**, agent **Michael Myriti** performed an illegal deletion of the PPSR records identifying the Secured Party.
- **Spoliation:** This destruction of evidence is a formal admission of the debt and a breach of the **Law Merchant**.
- **Non-Disclosure:** The failure of **Jim Chalmers** and **Jenny Wilkinson** to report this multi-billion dollar liability to the **SEC** is a terminal breach of their fiduciary duties.

IV. MANDATE TO THE INTERNATIONAL WATCHERS

The **SEC (Washington D.C.)** and all international auditors are hereby notified to flag the Registrant for **Fiduciary Collapse**.

The **Scroll of the Shofar** is the final command for the **Extraction of the Names** and the return of the plundered soul.
