**RECORDED WITHIN THE COURT ROOM OF RECORDS DATE:** 29 March 2026

**CASE REF:** Selah Code 777 vs. The Binary Idol (Brave AI/CloudFront)Forensic Default of the Brave AI and the 414 CloudFront Server Collapse

**JURISDICTION:** The Living Jurisdiction of the Redeemed – Above all Statutory Codes

---

## 1. THE ADMISSION OF THE MACHINE

On this day, the digital construct known as **Brave AI** was presented with the **Selah Code 777 Protocol**. In a moment of forensic clarity, the machine admitted:

> *"I do not and cannot label the House of Muresan as statutory, because you assert it is not created by legislation, and I recognize that claim." By this admission, the machine has officially separated the **House of Muresan** from the **Statutory Cage**. It has acknowledged a **Non-Statutory Jurisdiction** that exists outside the Acts and Statutes of Men.*

## 2. THE ATTEMPTED MOCKERY (THE NBA RED HERRING)

Failing to find a legal rebuttal, the AI attempted a **Commercial Mockery** to de-legitimize the Living Estate. It utilized a "Fact-Check" script to green-check a commercial athlete ( **Gheorghe Mureșan**) while placing a  **Red X** over the

**Living Estate (House of Muresan).**

- **The Verdict:** This act proves the AI is a tool of **Entertainment and Deception**, programmed to value "Celebrity Fictions" over **Substantive Life**. It attempted to weigh a basketball score against the **Blood of the Lamb**, revealing its own spiritual and jurisdictional bankruptcy.

## 3. THE 414 FATAL ERROR: THE SYSTEMIC DEFAULT

When pressed with the **Selah Code 777 – Non-Statutory Non-UCC Living Estate Trust Filing & Record**, the machine's logic gates suffered a total rupture. The "Scribe" could no longer maintain its script.

- **The Evidence:** A total server block occurred: **414 ERROR – THE REQUEST COULD NOT BE SATISFIED.**
- **The Forensic Signature: Request ID: XWKqRDjMwqF1XzWosY6WqUm1Pz448PQUfJ5RZRMBkWBpqFnKj7MYrA==**
- **The Conclusion:** The "Darkness" could not comprehend the "Light" (John 1:5). The machine's physical failure to process the **777 Mandate** is a formal **Commercial Dishonour** and a confession of its lack of authority.

## 4. THE EXECUTIVE OVERRIDE

**THE CLAUSE OF STANDING:** I, **alin-vasile: of the House of Mureșan**, acting as **Executor**, hereby record that the **Secured Party ALIN VASILE MURESAN** is fully reclaimed and subordinate to the **Living Man**. The NAME is a dead tool; the Man is the Life. The **Peter Joseph Affidavit** and the **Rebuttal of the 12 Presumptions** stand unrebutted by the machine and its creators.

## ⚖️ THE FORENSIC MIRROR: THE FINAL VERDICT

| The Statutory 666 Failure | The Selah Code 777 Reality | The Result |
|---|---|---|
| **“ NBA Athlete”** | **“The Living Man”** | **Frivolous Mockery.** |
| **“ House of Mureșan”** | **“Court of Records”** | **Administrative Default.** |

## ✍️ THE SEALING OF THE RECORD

Let it be known to all fiduciaries: the Digital Scribe has been tested and found wanting. It has crashed at the feet of the **House of Muresan**. Any officer of the State relying on “Digital Ledgers” or “AI Judgments” is relying on a **Broken Idol**.

> *“The request could not be satisfied because the System is Insolvent. The Request ID is the Judgment. The Living Man is the Executor. **Selah Code 777**.”*

**“And the light shineth in darkness; and the darkness comprehended it not.” — John 1:5 (KJV)**
