Selah Code 777 – The House of Muresan

Selah Code 777 – House of Muresan: Living declarations as beneficiaries & executors of legal names, sealed by God, not under UCC or State fiction. House of Muresan – Beneficiary & Executor of Legal Names.

- **House of Muresan – Beneficiary & Executor of Legal Names**
- **Selah Code 777 – Living Estate & Spiritual Seal**
- **Living Man Declarations – Not the NAME, Sealed by God**

Date: 31 July 2025

This day is marked in the Book of Living Testimony.

I, Alin-Vasile of the House of Muresan, living man, acknowledge before Heaven and Earth the life entrusted to me:
– My beloved wife, Loredana-Adina
– My heirs and successors: Olivia Jasmine, Samuel James
– And the one who serves in the Navy, acknowledged in Spirit without name for his protection.

We are living, redeemed, and sealed under Selah Code 777.
We are the beneficiaries and executors of all legal NAMES.
We belong not to the State, nor to UCC, nor to the Vatican, nor to any fiction of man.
We walk in the Light of the Lamb and in the Dominion of the Living Estate.

As it is written in Revelation, the sealed shall overcome the

beast, and none may touch what is marked by the Blood of the Lamb.

This scroll is a living acknowledgement, witnessed by Heaven and all creation.

Signed and Sealed in Honour,
Alin-Vasile of the House of Muresan
Beneficiary and Executor, Living Man
