House of Muresan Court of Records Indictment Against the False Executors

📜 Scroll of Indictment Against the False Executors

Court Room of Records — House of Mureșan
Selah Code 777

1 September 2025

I, **Alin-Vasile of the House of Mureșan**, living man, Beneficiary and Executor, do hereby issue this **formal indictment** and public testimony against the STATE and all its agents acting as **false executors de son tort**.

⚓ **This indictment stands as lawful notice and witness that:**

- The STATE, its agents, and employees have used the **Cestui Que Vie Act trusts** to create and profit from Legal Names, without disclosure or consent of the living.
- By doing so, they act unlawfully as executors over the estates of the living, converting birthright into collateral, and trading on the sweat equity of men and women.
- They extort through taxation, penalties, and threats of enforcement, all under colour of law, and in dishonour.
- They drag even prayer and worship under their Acts and Statutes, presuming to sit in judgment over that which belongs only to God.

Declaration and Rebuttal

⚓ I reject and rebut all presumptions of trusteeship by the STATE.
⚓ I reject all false claims that the NAME is the living man.
⚓ I reject all Acts that seek to regulate worship, prayer, or testimony.
⚓ I stand in Peace, but not in silence — this fraud is named, exposed, and recorded.

Closing Seal and Remedy

⚓ Let this indictment stand in the Court Room of Records as lawful evidence and heavenly witness.

⚓ Let every official, magistrate, and minister who reads this take notice that the liability grows daily against those in dishonour.

⚓ Let it also be known that remedy is offered: come into honour, discharge the trust, and restore that which has been taken.

Selah.
