Declaration of 777 Standing – Rebuttal of the Mark of the Beast

Date: 4 September 2025
Court Room of Records – House of Mureșan
Selah Code 777

Context

In this age of digital control, surveillance, and mandatory identification schemes, the system seeks to mark, number, and bind every man, woman, and child to its ledgers. This scroll stands as a living testimony that the redeemed are not subject to the mark of the beast – 666 – but are already marked with the seal of the Living God – 777.

Declaration

⚓ I, **Alin-Vasile of the House of Mureșan**, living man, Beneficiary and Executor of my estate, declare that I am redeemed by the Blood of the Lamb. My name is written in the Book of Life. The Word of God is written on my heart.

⚓ I am not the NAME, I am not surety, and I do not consent to be numbered, tracked, or marked by any system of men. I have already been marked – with 777 – the mark of God.

⚓ My heirs – **Olivia Jasmine** and **Samuel James** – and my wife **Loredana-Adina** are likewise sealed by faith, and no presumption of wardship, guardianship, or trust control shall be laid upon them.

⚓ The system of commerce and governance, if it chooses to proceed toward the beast system of total control, must first

correct its ledgers, discharge all false debt, and render full remedy to those redeemed by the Blood.

⚓ Remedy includes release from all presumed contracts, return of property and rights, and full commercial compensation for harm and use of the estate without consent.

Moment of Witness

Today I walked among the NAMES and those who live by the system — boarding trains that require digital scans, hearing that tickets must be purchased online in advance, and observing a world where cash and consent are vanishing.

I watched the people — earphones in, eyes fixed on devices — and wondered how many know they are not the NAME, how many see what I see.

Later in the day, I attended a large-format cinema and watched an immersive 4D film. When the experience ended, the credits rolled — and every name, from the actors to the writers to the producers, appeared in **ALL CAPITAL LETTERS**.

It struck me deeply: no amount of fame or achievement exempts a man or woman from being reduced to the NAME in commerce. The entire world operates in this fiction — acting, speaking, paying, traveling, and doing business as if dead on paper — yet the living man can see the truth.

And so, on this very day, I published this **Declaration of 777 Standing**, proclaiming that I and my house are redeemed, sealed by God, and not owned by the system.

This day stands recorded as a testimony of a living man among the dead, observing, discerning, and correcting the record.

Closing Seal

This declaration stands as a witness that we are the living, not the dead, and that we walk under the authority of Christ, not under the dominion of the beast.

“This day I saw, I discerned, and I bore witness — and it is now written.”
