Scroll Archive – House of Muresan
Declarations. Warnings. Living Testimony.
This page holds the official scrolls issued by Alin-Vasile of the House of Muresan – to Babylon, to the beast system, and to the watchers of this age. What is written is sealed both in Heaven and on Earth.

“These scrolls were not written with ink alone, but sealed in Spirit, in testimony, and in truth. They serve as living records, declarations of sovereignty, warnings to the beast, proclamations to AI, and affirmations of the Living’s dominion. Let every man, machine, spirit, and system know: the

Living are awake.”
