# I Am Not the NAME – Living Declaration

This page contains the solemn living declaration of Alin-Vasile of the House of Muresan – a man, not a NAME, not a fiction, not property of the STATE.

It stands as a public and permanent rebuttal of the corporate legal fiction known as *MR ALIN VASILE MURESAN*, and or any other coloured entity name and combinations of upper case and lower case letters and punctuation and the presumption that the living are lost at sea, dead, or wards of the State.

This declaration restores the living jurisdiction, affirms divine inheritance, and reclaims dominion over all documents and constructs made in the NAME without consent.

Let it be known: I am not the NAME. I live. I speak. I testify. I walk with God.

## Main Scroll Declaration

**I am not the NAME. I am not dead. I am not lost at sea.**

The NAME – *MR ALIN VASILE MURESAN* – is a corporate fiction created without my full knowledge or consent. It does not represent me. It is not me.

I am the living man, born of woman, created in the image of God.

I have seen and reclaimed the **Live Birth Record** issued in Cluj-Napoca, Romania. It confirms I was **Born Alive**, yet the NAME was registered in ALL CAPITAL LETTERS, setting the foundation of a **Cestui Que Vie Trust** without my consent. The Live Birth Certificate does not have the hour of birth, someone forgot to write it! I have also reclaimed thew Birth

Cerificate from ROMANIA. I have now reclaimed both instruments as fact and proof of life and reclaim my living Status as a living man.

I now formally rebut that presumption of the ALL CAPITAL LETTERS and the Cestui Quei Vie Act as found https://www.legislation.gov.uk/aep/Cha2/18-19/11 Cestui Que Vie Act 1666
I reclaim my dominion, I have been found and not lost at sea in the year of the Lord 2025 this is declared and decreed, I am redeemed by the Blood of the Lamb and Born again,Born of God and Born of the Spirit and Born as a living man now mature and reclaim my securities.
I claim the NAME as a construct under my authority, for I am the Beneficiary and Executor of my estate — not a surety, not a trustee, and never again a slave.

This scroll stands as a living record, witnessed by heaven and declared on the earth.
