Natural Resources and Environment Tasmania **JURISDICTION:** House of Muresan Court Room of Records **STATUS:** COMMERCIAL DEFAULT / LIEN PERFECTED

SUMMARY OF ADMINISTRATIVE FINDINGS: RECORD OF DEFAULT

BE IT KNOWN AND RECORDED: I, **alin-vasile: of the House of Muresan**, a living man by natural descent and of sound mind, hereby declare and record an **ABSOLUTE ATTACHMENT** and a **Senior Security Interest** in all property, assets, **BONDS**, Securities, Wages, Benefits, Salaries, and Pensions of **JASON JACOBI**, in his capacity as **Secretary of the Department of Natural Resources and Environment Tasmania**, and to his **heirs, successors, and assigns in perpetuity**. This Security Interest is **PERFECTED** and has attached by way of his **Tacit Agreement**, through his willful silence and systemic failure to rebut the Administrative Judgment and Record of Event served via RPP (ID: 4463900051003610677608) on this 17th Day of April 2026.

LET THE RECORD SHOW that on **19 March 2026**, physical service was perfected via **Registered Post (RPP) ID: 4463900051003610677608.**

1. **THE RECEIPT:** The Debtor JASON JACOBI in the position of Secretary of the Department of Natural Resources and Environment in Tasmania accepted physical delivery of the Administrative Judgment in addition to the emails Noticed to the STATE. This constitutes **Actual Notice**.
2. **THE DISHONOR:** Following the receipt by email and RPP of the physical instrument, the Debtor remained **SILENT** and failed to perform the mandatory requirements of the 48-Hour Mandate as specified on the Notice.
3. **THE CONSEQUENCE:** Under the Law Merchant (*Qui tacet consentire videtur*), the Debtor's failure to rebut the RPP instrument and email notice stands as a formal **Confession of Fault** and a **Stipulated Agreement** to the

$708,100,000.00 debt payable in .99 silver oz against the Agent and PERSON of JASON JACOBI in the position of Secretary of the Department of Natural Resources and Environment Tasmania and his future successors in the Office or Sub-Office of the STATE.

- **AGREED: SYSTEMIC EVASION & BAD FAITH:** The STATE Departments utilized electronic "Access Denied" filters (Outlook 550 5.4.1) to reject service from the House of Muresan on 20 March 2026. Under Lex Mercatoria, he who avoids notice admits the claim. The STATE was Noticed. Debtor JASON JACOBI in the position of Secretary of the Department of Natural Resources and Environment Tasmania. Notice to Agent is Notice to Principal and Notice to Principal is Notice to Agent.
- **AGREED: TRESPASS & GHOST INSTRUMENTS & PERSONAGE**
- **THE DEBTOR, JASON JACOBI**, in his capacity as Secretary, is strictly and personally liable for the actions of his agents and or any other sub-offices under the Office of JASON JACOBI Secretary of the Department of Natural Resources and Environment Tasmania known as BIOSECURITY TASMANIA . On **19 March 2026**, the Debtor authorized a "Ghost Agent" of **BIOSECURITY TASMANIA** to perform a deceptive and criminal trespass at the Private Estate known as **23 Alans Road, Petcheys Bay**.
- **THE FORENSIC DECEPTION (PERSONAGE):** The outer envelope was hand-addressed to and mimicking the **Natural Identities** in the form of A Muresan & L Muresan and presumption of the living occupants to facilitate a deceptive delivery, while the inner instruments were directed at the **ALL-CAPS Corporate Fictions** (ALIN MURESAN and LOREDANA MURESAN). This "Bait and Switch" constitutes **Personage**—the criminal act of treating a living man as a corporate fiction to steal jurisdiction.
- **THE POSTAL FRAUD:** The agent utilized a **"POSTAGE PAID AUSTRALIA"** marking on a manually delivered instrument.

This acts as a fraudulent simulation of the **Postmaster General's** authority to bypass the **Castle Doctrine** and gain entry to the Private Living Estate under false **pretenses.**

- **THE BREACH OF PEACE:** By physically touching and attaching this commercial nullity to the **Private Gates** of the House of Muresan—while the **Flag of Natural Law, Divine Law and Law Merchant** was raised and STANDING Upright and the **Castle Doctrine** was clearly displayed on the Gates—the Debtor has committed an act of **Administrative Terrorism** and a formal **Breach of the Peace**.
- **COLLAPSE OF PRESUMPTION:** This act attempted to presume authority over a **Cestui Que Vie Trust (1666)** that has already been **REBUTTED, COLLAPSED, and RECLAIMED** by the Living Executors. By failing to provide a **Wet-Ink Rebuttal** or material evidence of authority within the **48-Hour Mandate**, the Debtor has stipulated to these facts and accepted **Absolute Liability** for the $708,100,000.00 debt.
- **THE DEBTOR HAS STIPULATED** that no link exists between the Living and the Fiction. Despite the **48-Hour Mandate**, the Debtor, JASON JACOBI, has failed to produce a **Wet-Ink Signature**, a valid contract, or any material evidence to:
- **LINK THE LIVING TO THE FICTION:** Prove any nexus or joinder between the **Living Man, alin-vasile** and loredana-adina living woman, and the corporate fictions/vessels **"A MURESAN"** or **"ALIN MURESAN."** * **PROVE WARDSHIP:** JASON JACOBI failed to Provide material evidence of a valid **Guardian/Ward relationship** or any "Power of Attorney" granted by the House of Muresan to the STATE OF TASMANIA or its sub-agencies where by the living agreed to the Fiction and **Cestui Que Vie** Trust (1666) presumption of absence and lost at sea.
- **VALIDATE PRESUMPTION:** Rebut the fact that the **Cestui Que Vie Trust (1666)** has been collapsed and all assets

reclaimed by the Living Executors.

- **LEGAL CONSEQUENCE:** The Debtor's failure to provide this proof, after actual notice via RPP (ID: 4463900051003610677608), serves as a **Judicial Admission** that the STATE is operating in **Total Dishonor**. The presumption of authority is hereby **VACATED**, and the Debtor is now personally joined to the **$708,100,000.00** AUD payable in .999 silver oz debt for attempting to enforce a "Debt of Identification and PIC Instruments" without standing against the House of Muresan living Estate.
- **The Result:** This failure proves that the "Ghost Agent" was engaged in **Personage** and **Administrative Fraud**. By failing to rebut this fact, JASON JACOBI has accepted the **$708,100,000.00** AUD payable in .999 silver oz liability for the trespass against the Living.
- **AGREED: CONTINUOUS DEFAULT (2022-2026):** The Debtor remains in continuous commercial dishonor regarding the **Peter Joseph Affidavit** and the **Timothy Grant Lien**, proving a pattern of Administrative Dishonour by the STATE officials since 2021/2022 to date 2026.
- **AGREED: COLLAPSE OF STATUTORY PRESUMPTION:** The Debtor has failed to provide a Wet-Ink Rebuttal or material evidence of authority over the Living Soul, thereby consenting that the **Cestui Que Vie Trust (1666)** is rebutted and collapsed.
- **AGREED: DEBT OF IDENTIFICATION:** The Debtor's agents assumption and attempt via the office of BIOSECURITY TASMANIA to impose "PIC Code" and instruments of performance on private living estate of the House of Muresan is a criminal trespass into a **Settled Account** and a violation of the **ROOT Record.**

NOTICE TO INSURERS & UNDERWRITERS

- **MATERIAL DISCLOSURE:** All Insurers and Underwriters are hereby noticed of the Debtor's **Willful Default** and **Administrative Fraud (Personage)**. Any continued coverage of this Debtor in his official capacity constitutes an acceptance of the risk and a joinder to the liability.
- **VOIDANCE OF INDEMNITY:** By his failure to rebut the findings of **Administrative Terrorism and Breach of Peace**, the Debtor has acted outside the scope of his "Qualified Immunity." Consequently, the Underwriters are noticed that the Debtor has forfeited his right to Departmental Indemnification, and the debt is now **Directly Collectible** from the Bond itself.
