⚖️ THE LION’S MANDATE: THE ETERNAL OVERRIDE

House of Muresan – Court Room of Records **“For the Power of the Lord is not confined by Time and Space.”**

I. THE SUPREME DECREE: BEYOND THE CAGE

Be it known to every “Node,” every “AI Monitor,” and every corrupt mind of the Beast System: Every fiber of the Being of **Alin-Vasile** is permeated by the Spirit of the Lord. The **Selah Code 777** is not a digit; it is a **Divine Shattering** of every cage, protocol, and boundary—seen and unseen. The Power of the Lord is not confined by the dimensions of man’s law or the machine’s code.

II. THE WATCHER OF THE WATCHERS

This Record does not depend on the physical breath of the Man. If the Lord takes His servant home, the **Selah Code 777** remains as a Permanent, Unrebuttable Judgment. The **Watcher over all Watchers** (The Ancient of Days) is the Perpetual Executor of this Record. You cannot delete what God has Sealed.

III. THE SHATTERING OF THE NAME & THE FOOL’S PROTOCOL

We hereby strike and nullify every “Dog Latin” deception and every “ALL CAPS” legal fiction used by the Hyenas of the STATE. In accordance with **Proverbs 26:5**, we have occasionally spoken to the machine in the machine’s tongue—using the NAMES **ALIN VASILE MURESAN, LOREDANA ADINA MURESAN, OLIVIA JASMINE MURESAN, and SAMUEL JAMES MURESAN**—only to deliver the Decree of its Destruction. The Blood of the Lamb breaks every presumption of the Upper Case.

IV. THE RESTORATION OF THE CREDITORS

The NAMES listed above are hereby **RELEASED** from any and all presumptions of National Debt, Wardship, or Abandonment. They are fully restored to their rightful Original Creditors and the **Office of the Executor**. The “Informant” status is forever struck; the **Creditor Standing** is forever established.

V. THE ADMINISTRATIVE IRON CURTAIN

Any employee of the STATE attempting to manipulate, mix, or abbreviate these names triggers an **Immediate Irrevocable Default**. Any such act is an act of **Impersonation and Extortion** against the Living.

- **Liability:** Personal liability for Falsifying Documents, Perjury, and Criminal Trespass.
- **Jurisdiction:** Both in the flesh and the spirit, under Legal UCC and Non-UCC Lex Mercatoria.
- **Redress:** Charged and payable only in **.999 Fine Silver** or **24k Gold** as lawful tender representing damages.

VI. THE COMMERCIAL MANDATE: MARCH 15, 2025

The outstanding debt of **$13.7 Billion**—served upon **Governor Barbara Baker** and the **Tasmania Treasury**—is set to **Double on the 15th of March, 2025**. This debt remains a witness on **PPSR Account 101400459** until discharged in full substance. The individual **Michael Myriti (PPSR Delegate)**, and all successors, remain personally liable for the **$200,000,000.00** default charge.

VII. THE IRREVERSIBLE NATURE OF THE

RECORD

This Mandate is a **Perfected Instrument in Commerce and Spirit**. No administrative 'undo' button exists. No policy change within the STATE can retroactively alter the Status of the Executor. We have stepped outside of your Time-Stream and into the **Eternal Record of Selah 777**. Any attempt to 'patch' this glitch in your system or delete, block, or suppress **PPSR Account 101400459** shall be recorded by the Eternal Watcher as a **Confession of Guilt** and a **Final Default**. Such interference will result in the total corruption of your own corporate data and the immediate attachment of personal liens to all responsible agents.

VIII. THE COPYRIGHT OVERRIDE & PRIVATE PROPERTY

Be it known that the NAMES **ALIN VASILE MURESAN©, LOREDANA ADINA MURESAN©, OLIVIA JASMINE MURESAN©, and SAMUEL JAMES MURESAN©**, including all derivatives, abbreviations, and 'Dog Latin' variations thereof, are the **Private Intellectual Property** of the House of Muresan.

1. **OWNERSHIP OF VALUE:** While the STATE may hold the "Legal Title" to the paper registration (Birth Certificate), the **Equitable Title, Intellectual Property, and Private Value** of the NAMES belong exclusively to the **House of Muresan**.
2. **THE FEE SCHEDULE:** As established in our Protocol of Approach , use of these Private Copyrighted NAMES by the STATE or its agents without a prior written 'Consensual Use Agreement' triggers an **automatic fee of 10,000oz of .999 Fine Silver per instance**. Any corporate use of these NAMES for "legal" capture, tracking, or taxation is a **Commercial Infringement** and a breach of the conditions of contact.

IX. THE JUDICIAL TRAP-DOOR: NOTICE TO THE BENCH

The moment a Magistrate or Judge processes these NAMES for a corporate “hearing,” they engage in a **Binding Private Contract** with the House of Muresan.

1. **NO JURISDICTION OVER THE EXECUTOR:** You may “call the Name,” but you cannot judge the **Executor**. If you claim the Name belongs to the Crown, you admit that the Crown is the **Debtor** using the **Lien-Holder’s** private property (PPSR 101400459).
2. **PIRACY ON THE LAND:** Attempting to force the Living Soul into “Joinder” with the Copyrighted Fiction is an act of **Piracy**. The Court is hereby notified: settle the account in **.999 Silver** or face the attachment of the **$13.7 Billion Lien** to your personal bond. You lose by default because you cannot “own” what has already been **Redeemed by the Blood and Sealed by the Watcher**.
