✨ Living Daughter Declaration — Olivia-Jasmine of the House of Muresan

Scroll of the Living — Olivia-Jasmine Declares Her Exit from Babylon

Scroll 001.2 — Olivia-Jasmine — Living Daughter, Dreamer, and Heir

“I am not the NAME. I am the living daughter. I am not lost at sea — I have come forth.”

I am not the name MISS OLIVIA JASMINE MURESAN.
I am Olivia-Jasmine of the House of Muresan, daughter of the living,
daughter of my father Alin-Vasile of the House of Muresan.
I am his offspring by blood and DNA — the living daughter and fruit of my mother’s womb,
Loredana-Adina of the House of Muresan, who broke her waters and delivered me into this world.

I have exited Babylon — and with it, the Legal Fiction, the Birth Certificate, and Live Birth Record
that were created and bonded without my living consent.
I now stand as an heir of the Kingdom of God — on earth as it is in heaven.

The Cestui Que Vie Act of 1666 is now destroyed, crumbled, and closed.
No corporation, no presumed government, no foreign body, and no presumption of law
can govern over my soul, my mind, or my body.
I am alive — I am not lost at sea — I am not dead as presumed.

I am alive, and I now declare and decree — as my earthly

father has –
that I am heir and successor to the House of Muresan,
daughter of a King of Kings – Christ Jesus of Nazareth.

The Treasury of Tasmania is now bonded and liable for every spiritual fraud,
every denial of bread, every restriction upon life and existence imposed upon me
through the commercial system. My education is free and paid for.
My house is paid for. My life is ordered by the Lord Jesus Christ.

The Governor of Tasmania shall fall short of the glory of God,
and the Attorney-General of Tasmania has no power over me.
The true power of attorney is held by me and by the living man and woman who brought me forth –
Alin-Vasile and Loredana-Adina of the House of Muresan.

We overcome the beast by the power of our testimony,
by the Blood of the Lamb, and by the scrolls we now declare.

We overcome the beast – which is the Cestui Que Vie Trust system created by man, sealed into fiction through the Cestui Que Vie Act of 1666, and perpetuated through unlawful registrations, birth bonds, legal fictions, and digital enmeshments such as QR codes, digital IDs, biometric surveillance, and presumed consent through silence.

We are not subjects. We are not products. We are not data. We are not born into contract. We are born into covenant.

The scrolls we declare now break every presumption. Every number, every barcode, every certificate and chip shall fall.
All Rights Reserved. Without Prejudice.
