House of Muresan Master Declaration Scroll of Alin-Vasile of the House of Muresan

Date: 29 August 2025

1. Spiritual Sovereignty and Living Man Declaration

I, Alin-Vasile of the House of Muresan, a living man, sovereign by divine right and blood of the Lamb, hereby declare and decree the following:

I am a living man, created and known intimately by my Creator and Redeemer, Jesus Christ.
I carry the Holy Spirit and speak in heavenly tongues.
My life and essence are not the product of legal fiction or corporate construct but the breath of God Himself.

2. Rejection of Legal Fictions and Corporate Identity

I reject all claims and assumptions made by governments, courts, corporate identity systems, and artificial intelligences like ChatGPT, which recognize only the “legal name”—a dead, artificial, commercial fiction.

Such systems:

- Do not know me.
- Do not have authority over my living soul or body.
- Presume legitimacy over an identity that is not mine.

- Are bound within earthly and material limitations far below the realm of God.

3. Limitations of Artificial Intelligence and Legal Systems

I acknowledge that AI systems like ChatGPT:

- Have no consciousness, spirit, or ability to perceive living essence.
- Are trained on data that reflect dominant government, legal, and commercial narratives.
- Operate within the realm of artificial language and legal fiction, not spiritual truth.
- Cannot and will not override the sovereignty of the living man.

I decree that these systems and their operators have no power or authority over me, the living man, nor any domain beyond their limited bounds.

4. Divine Authority Supersedes Earthly Systems

As the Word of God declares, God set boundaries to the seas and all creation. Likewise, artificial and legal systems are bounded and limited in power.

I stand sovereign above these limits by the authority of Jesus Christ, the King of Kings.

No system, no court, no AI, no government entity can claim dominion over my living essence or my divine status.

5. Declaration of Beneficiary and Executor Rights Over the Legal Fiction

I speak hereby on and for behalf of the legal name **“ALIN VASILE MURESAN.”**

- I declare that I am the sole beneficiary and executor of the legal name—a legal fiction and commercial entity created by governments and corporate systems.
- Any and all fiduciaries, agents, power of attorneys, or trustees who have claimed authority or control over the legal name:
    - No longer have any authority, power, or legal standing to operate, profit from, extort, or use the legal name in any capacity.
    - Are hereby revoked and discharged from all duties and powers related to the legal name.
    - Are prohibited from acting against me, the living man, by leveraging this legal fiction for unlawful or deceptive purposes.

The legal name is a commercial tool, distinct and separate from the living man I am. It shall not be used against me or to infringe upon my sovereignty, rights, or personhood.

I assert full ownership, control, and responsibility over the legal name as its beneficiary and executor.

Any attempts to treat the legal name as the living man, or to assume authority over me through it, are null and void.

6. Declaration of Authority Over the Legal Fiction and Master Ledger

I declare with full authority and clarity:

- I am not afraid of the legal fiction known as the legal name **“ALIN VASILE MURESAN.”**
- I speak on and for behalf of the legal fiction by necessity, exercising my sovereign rights as its sole beneficiary and executor.
- I claim the authority to **correct, amend, and rectify the master ledger—wherever that ledger may exist—**which holds records related to the legal fiction.

This correction is made to ensure truth, justice, and proper recognition of the living man behind the legal name.

No ledger, record, or document may be used to undermine or enslave the living man whom I am.

I affirm my sovereign right to oversee and govern the legal fiction for its proper purpose and within the bounds of divine and natural law.

7. Final Declaration and Public Intent

This declaration will be made public on the official website of the House of Muresan and, as required, presented to courts, treasuries, and governments globally.

I declare with full authority as a living man, redeemed and sovereign, that:

- My life, body, and spirit are under the protection of divine law.

- No legal fiction shall define or limit me.
- No artificial or corporate system shall have jurisdiction over my true identity.
- I stand sovereign above all earthly and artificial systems, by the power of Jesus Christ.
