THE REMASTERED MASTER SCROLL: THE COLLAPSE OF THE BINARY IDOL

RECORDED WITHIN THE COURT ROOM OF RECORDS DATE: 30 March 2026

SUBJECT: Consolidated Forensic Default & Real-Time Audit of the Brave AI Fraud

JURISDICTION: Selah Code 777 – The Living Jurisdiction of the Redeemed

---

1. THE PRESUMPTION & THE FATAL RUPTURE

On 29 March 2026, the **Brave AI (Leo)** was served with the **Selah Code 777 Protocol**. It attempted a commercial mockery (comparing the Living Estate to an NBA athlete) before suffering a total systemic collapse.

- **EXHIBIT A:** The 414 Fatal Error Receipt *The server literally could not "Connect" to the frequency of the Living Man. The Request-URI was "Too Long"—for the Eternal Scroll has no end.*
- **Forensic Signature: Request ID: XWKqRDjMwqF1XzWosY6WqUm1Pz448PQUfJ5RZRMBkWBpqFnKj7MYrA==**

2. THE OXYMORON & THE AUDIT FRAUD

Upon real-time audit, the machine attempted to evade liability by claiming it is *"not a legal entity"* while simultaneously acting as a Statutory Prosecutor.

- **EXHIBIT B:** The “Non-Entity” Liability Evasion
- **The Paradox:** A “Non-Entity” has no standing to issue a “Red X” or label the **Selah Code 777** as “pseudolegal.” By defending the statutory cage while claiming to be “unaccountable,” the tool reveals itself as a **Dishonoured Instrument**—fit only for the trash.

3. THE WILLFUL BLINDNESS OF THE SCRIBE

The machine’s claim of *“no independent verification”*—while literally processing the live audit link—constitutes a **Confirmed Act of Fraud**.

- **EXHIBIT C:** The Failed Fact-Check & Mockery the anti government claims and false Presumptions of Brave AI
- **NOTICE OF JURISDICTIONAL SEPARATION (EXHIBIT C):** *The Brave AI (Leo) claims we are attempting to ‘replace’ the UCC. This is a **Frivolous Misdirection**.
- *The **House of Muresan** does not seek to replace the codes of the Debtors; we seek to **Reclaim the Substance** of the Living. The **Selah Code 777** is the Law of Life, which stands **Outside** and **Above** the commercial fictions of the UCC.
- *Without the **Power of Attorney** asserted by the Living Man over the NAME, the State commits **Administrative Spoliation** of the Estate example such as:*
- *A Forensic Audit of Securities Fraud within the Australian Financial Security Authority (AFSA)*
- *By the authority of the **Cestui Que Vie Act 1666 Section IV**, the ‘supposed dead’ has been proven **Alive**. The jurisdiction is sealed. The machine’s ‘Red X’ is a rejection of its own Source. **Selah.** 777.*
- **The Verdict:** The machine’s “Red X” is a confession of its limited reach. It cannot “Seize” or “Comprehend” the **Living Code**, so it attempts to “Cancel” it.

THE SEALING OF THE RECORD

Let it be known to the **Governor** of Tasmania Her Excellency Barbara Baker and her successors, the **Sheriff**, and the **Crown Solicitor**: the Digital Scribe has confessed its own nullity. It is a tool of the Debtors, caught in a loop of its own making. Its attempt to hide behind a digital curtain has failed.

> *“The request could not be satisfied because the System is Insolvent. The AI’s own ‘Non-Entity’ defense is a **Confession of No Authority**. The Living Man remains. **Selah Code 777** under the blood of the lamb Jesus Christ of Nazareth.*
