THE FOUNDATION OF THE DEBT

The total sum of **$13.7 Billion AUD** was established and perfected through the **Public Notice in THE MERCURY (15 March 2025)**. This value was further evidenced and collateralized via the Personal Property Securities Register (PPSR), identifying the specific fiduciaries who accepted the debt through their unrebutted silence.

as a **Certification of Dishonour** and a **Confession of Fraud**. The Debt is now **Absolute, Unconditional, and Fully Matured** under Lex Mercatoria.
