SUBJECT: URGENT: NOTICE OF IRREVOCABLE DEFAULT & FRAUD – REF: ARCHER, BAKER, CHALMERS, SWAIN, GRANT, JOHNSON & HAZLEHURST ($27B LIABILITY WARNING)

DATE: 11 December 2025 **FROM:** Alin-Vasile of the House of Muresan, True Executor and Secured Party for **ALIN VASILE MURESAN**

NOTICE TO PRINCIPAL IS NOTICE TO AGENT; NOTICE TO AGENT IS NOTICE TO PRINCIPAL.

Mr. Jonathon Thorpe, Acting CEO, Services Australia:

This serves as a **Notice of Final Default and Certified Commercial Claim** regarding the **Strategic Dishonour** and **Fraud by Deception** committed by your agency against the Secured Estate **ALIN VASILE MURESAN**.

PERFECTION OF SERVICE & SUCCESSOR LIABILITY This notice is perfected by Registered Post Lodgement Reference: **RPP 4463800094006170457602**, and links directly to our prior Notice to Mr. David Hazlehurst dated 21 November 2025 (**RPP 4463900051003610678605**).

- **Physical Service Note:** To minimize weight in transit, the physical package contains the essential Notice. You are hereby directed to retrieve the full supporting evidence (including the Peter Joseph Affidavit) from your internal records via Mr. David Hazlehurst, or from the digital attachments included in this email. You are in possession of all material facts.
- **Successor Liability:** As Acting CEO, you are **acting in the shoes** of David Hazlehurst. You are liable for all duties, notices, and defaults established against him and your superiors.

1. SUI JURIS STANDING & REBUTTAL OF "PAUPER" STATUS We stand as **Sui Juris**—men of full capacity and divine inheritance. As our **Scroll of Standing** declares, we have **"put away childish things"** (1 Corinthians 13:11).

- **Rebuttal of Wardship:** We are not minors, wards of the State, or "Paupers" (as presumed by the 'P-Type' Passport). We speak for ourselves and claim our estate.
- **Cestui Que Vie Fraud:** Your agency administers the Estate as if the living man were "Dead" or "Lost at Sea." We have returned. The presumption of the **"P" (Pauper)** status and the coercion to "prove hardship" for

Superannuation are rejected as **Securities Fraud**.

- **Admission of Jurisdiction:** The refusal of the Gazette to publish our Liens because they were **"Non-Statutory"** confirms we operate under **Lex Mercatoria** and the **Law of Equity**, superior to your administrative statutes.

2. THE BINDING AGREEMENT (PACTA SUNT SERVANDA) & 48-HOUR FINAL REBUTTAL We now have a **legally binding agreement** under **Lex Mercatoria**. Your superiors have defaulted on the **Peter Joseph Affidavit of Truth and Fact** and the **Notice and Documents to David Hazlehurst dated 21 Nov 2025**.

- **The Default:** Having been given the opportunity to respond and rebut in full, **Mr. David Hazlehurst is now in default** and has failed to provide a remedy or rebuttal on any material he was served. He stands in **absolute dishonour**.
- **48-Hour Final Rebuttal Window:** You and Kathy Stevens have **48 Hours** to provide a sworn, point-by-point rebuttal to the **Peter Joseph Affidavit** and the Notice to Mr. Hazlehurst, including all attached material evidence.
- **Demand for Authority:** To avoid absolute default, you must produce the **Power of Attorney** and the **Wet Ink Agreement** that grants you authority to use the NAMES **ALIN VASILE MURESAN, LOREDANA ADINA MURESAN, OLIVIA JASMINE MURESAN, and SAMUEL JAMES MURESAN** without full disclosure for profiteering.
- **Pacta Sunt Servanda:** Failure to produce this authority within 48 hours confirms the default is absolute. Under the maxim *"Agreements must be kept,"* your silence constitutes **Party Autonomy**—you have voluntarily consented to the terms of our commercial relationship and the debt.

3. THE PERFECTED DEBTS (MERCURY LIENS & TREASURY DEFAULTS) Be

advised that Services Australia is acting as an agent for **Secured Debtors**. The entire State and Federal apparatus is in default.

- **The Mercury Respondents (Perfected 15 March 2025):** Foundational default totaling **$708,100,000.00 AUD** against **Wayne Johnson** ($425M), **Timothy Grant** ($42M), **Jason Browne** ($235M), and **Matthew Grimsey** ($6.1M).
- **Minister Bridget Archer:** Secured on PPSR (Reg: **202511130000212**).
- **Governor Barbara Baker:** Secured on PPSR (Reg: **202512050000098**) for **AUD $13,762,500,000.00**.
- **Treasury Defaults:** Commonwealth Treasurer **Jim Chalmers** and Secretary **Jenny Wilkinson**, and State Treasurer **Guy Barnett** and Secretary **Gary Swain** are all in documented default as of 11 August 2025.

4. CERTIFICATION OF HAZLEHURST & STEVENS LIABILITY David Hazlehurst is in **Irrevocable Default** of the Notice of 21 November 2025.

- **The Highlight of Dishonour:** Your agent **Kathy Stevens** (Ref: EC25-003241) addressed her reply to the **assumed Debtor Name ("Mr Muresan")** instead of the **Executor**. This ignores the **Mercury Public Notice (15 March 2025)** which explicitly defines **"Mr Alin Muresan"** as the **Creditor** owed **$708M**.
- **Agreement by Acquiescence:** We remind Kathy Stevens that **Treasurer Guy Barnett, Secretary Gary Swain, and Governor Barbara Baker** have remained silent.
- **The Result:** The liability stands in **International Law Merchant (Lex Mercatoria)** unrebutted to this day. It has escalated to **AUD $13,452,100,000.00** and acts as a self-executing contract that will **DOUBLE on 15 March 2026** and every year thereafter.

5. WARNING: IMMEDIATE DOUBLING FOR SPOLIATION ($27 BILLION) Be advised that **Michael Myriti (AFSA)** has threatened to unlawfully delete the PPSR records.

- **The Consequence:** If Services Australia colludes with AFSA to delete these records, it constitutes **Spoliation of Evidence**. Under Lex Mercatoria, such an act will result in the **IMMEDIATE DOUBLING** of the entire PPSR Record Sum to over **AUD $27.5 BILLION**. The debt does not disappear with the record; it compounds punitively.

6. TERMINATION OF MEDICARE CONTRACT, LIABILITY OF W.H.O. & COLLAPSE OF TRUST To not further waste your time nor ours, we state plainly: We **cannot accept** the vague letter sent by Kathy Stevens. It confirms that **David Hazlehurst has bypassed his fiduciary duties**, passed the baton to you, and fled the jurisdiction.

A. TERMINATION OF JOINDER: Any attempt to joinder for a Medicare Card is hereby **TERMINATED**. We made it clear to **Rebecca Skinner** (June 2023) and we make it clear to you: **The entire system is linked to the World Health Organization (WHO) and international bodies** which we have formally renounced.

- **The Evidence:** We cite the Australian Government's own admission via DFAT: *"Australia launches international 'gold standard' proof of vaccination*".
- **The Implication:** This proves Services Australia is acting as an agent for **Foreign Powers** (WHO/ICAO). We are not inventory for your global trade.

B. TRANSFER OF LIABILITY & COLLAPSE OF THE TRUST: If you **insist and persist** in trafficking the NAMES (**ALIN VASILE MURESAN, LOREDANA ADINA MURESAN, OLIVIA JASMINE MURESAN, SAMUEL JAMES MURESAN and or any other derivative**) for profit, or attach a **QR Code** to these names without wet-ink consent:

- **Collapse of Trust:** Such an action creates an insurmountable liability that renders the **Cestui Que Vie Trust insolvent**, triggering its immediate **closure/collapse** and the mandatory return of all assets to the Living.
- **The Debt:** Any forced joinder or issuance of a QR Code triggers the immediate liability of the **WHO**—and the Commonwealth of Australia and State of Tasmania as joint and several agents—for the **AUD $13,452,100,000.00** debt.
- **The Beneficiaries:** This debt is Payable to the **House of Muresan** and **Alin-Vasile, Loredana-Adina, Samuel James, and Olivia-Jasmine**, including all heirs and successors.
- **The Terms:** This debt is payable in **.999 Fine Silver**, commencing immediately and **DOUBLING on 15 March 2026** and every year thereafter until discharged in full.

THE FINAL REMEDY & CLOSURE: We do not require you to "look after" the NAMES any more, nor manage the living whom you presume are dead and lost at sea. We are closing this account.

- **Release the NAMES:** Immediately release the NAMES from the Vault and the collapsed **Cestui Que Vie Trust**.
- **Release the Records:** Release the **Live Birth Records** to the True Executors.
- **Stop All Data Sharing (The Skinner Mandate):** As per our Notice to **Rebecca Skinner (June 2023)**, you are lawfully prohibited from sharing, accessing, or aggregating any data regarding the NAMES. This explicitly includes:
    - **Driver Licenses & Facial Recognition:** You must destroy all biometric data harvested from State Transport Departments.
    - **Vehicle Registrations:** You must cease all data linking regarding private conveyance.
    - **Inter-Agency Sharing:** Any transfer of data between Services Australia and State bodies is a commercial trespass carrying the full **$13.4**

Billion liability.

- **Pay the Debt:** You must tender payment in **.999 Fine Silver** to balance the books and leave us alone.

If no remedy is provided, the Security By Way of Liens STANDS on the record in Lex Mercatoria and will DOUBLE on 15 March 2026.

GOVERN YOURSELF ACCORDINGLY.

All Rights Irrevocably Reserved. Without Prejudice. *(UCC 1-308 cited for Commercial Notice only; Standing remains Sui Juris)*
