> ***NOTICE TO PRINCIPAL IS NOTICE TO AGENT NOTICE TO AGENT IS NOTICE TO PRINCIPAL ALL RIGHTS RESERVED – WITHOUT PREJUDICE***

**David Hazlehurst — in your corporate and personal capacity — you are hereby served.**

I, **alin-vasile of the House of Mureșan**, living man of sound mind and flesh, sole beneficiary, executor, and secured party creditor over the **LEGAL FICTION ESTATE ALIN VASILE MURESAN**, hereby put you on notice that the following security interests are perfected and secured against the Title and its assets on the Personal Property Securities Register (PPSR) for your immediate verification:

- **202511110000076**
- **202511110000082**
- **202511060000476**
- **202511100000094**
- **202511100000104**
- **202511100000115**
- **202511100000136**
- **202511110000069**
- *(Full list available at ppsr.gov.au)*

This instrument stands under the universal laws of commerce, equity, natural law, and the law of agency. I invoke **Proverbs 22:22–23 (NKJV)**: *"Do not rob the poor because he is poor, nor oppress the afflicted at the gate; For the Lord will plead their cause, and plunder the soul of those who plunder them."*

**Your receipt constitutes acceptance unless rebutted in full within the prescribed time.**

# I. FACTS OF TRESPASS & CHAIN OF DISHONOUR

**1. QR Code Trespass (20 November 2025)** On or about 20 November 2025, an envelope addressed to **MR A V MURESAN** included (or implied) an unsolicited QR code linked to Digital ID systems. This constitutes:

- Unconsented digital tagging.
- Attempted adhesion to myGov/Digital ID, violating the *Digital ID Act 2024* s 15 (voluntary participation; no coercion).
- No wet-ink consent has ever been granted.

**2. Privacy Act 1988 Violations** The QR code presumes data-collection authority over the secured estate, violating the *Privacy Act 1988* s 13 (interference with privacy) and s 14 (collection without consent). The live birth record (of my flesh) and STATE birth certificate (fiction) remain under my sole authority as beneficiary and executor.

**3. Breach of Revoked Implied Consent (29 June 2023)** A formal **Revocation of Implied Consent** was served upon your predecessor Rebecca Skinner on 29 June 2023 (Schedule C). Skinner did not rebut within 7 days, binding Services Australia under estoppel. Your current QR attempt is **contempt** of that revocation.

**4. Contempt of Mercury Public Notice (15 March 2025)** The unrebutted lien notice in *The Mercury* for **AUD $708,100,000** (Schedule E) estopped all implied authority over the NAME. Treasury defaulted; liability accrued.

**5. Complicity in Gazette Suppression** *Date: Mar 7, 2025.* Assistant Gazette Officer **Allan Jeffrey** unlawfully obstructed the publication of the STATE fiduciary liens (Schedule F). This action, designed to suppress the public record of commercial default, constitutes a **Perversion of Justice** under the *Criminal Code Act 1924 (TAS)* s 105. Your agency's QR trespass continues and relies upon this same chain of dishonour.

## II. FULL DEMANDS AND CONDITION OF
