COURT ROOM OF RECORDS — House of Muresan

SCROLL OF STATUS & JURISDICTIONAL CLARIFICATION Amended & Restated: Rebuttal of Misapplied Labels

Original Seal: 2 September 2025 **Current Ratification:** 14 December 2025 **Jurisdiction:** Selah Code 777 (Private) | **Status:** *Sui Juris* / Beneficiary

1. DECLARATION OF STANDING

We, Alin-Vasile and Loredana-Adina of the House of Muresan, living man and living woman, Beneficiaries and Executors, do hereby **REAFFIRM** for the Public Record:

1. **Rejection of Labels:** We explicitly reject, rebut, and forbid the application of the label “Sovereign Citizen” to our persons or our estate. We are not “citizens” of any corporate fiction, nor do we subscribe to oxymoronic ideologies that seek benefits while rejecting liability.
2. **True Law Form:** We stand under **Divine Law** (God’s Law) and **Natural Law**. As we interact with the commercial world,

we utilize **Lex Mercatoria** (Law Merchant) to settle every matter, asserting lawful dominion over our estate, lineage, and offspring — **Samuel-James** and **Olivia-Jasmine**.

2. RECORD OF EXECUTED REMEDY (THE 5 PHASES)

Whereas the Original Scroll (Sept 2025) outlined a "Path," this Restated Scroll (Dec 2025) confirms its ***COMPLETION****.*

Phase 1: Standing Corrected — [COMPLETED]

- Affidavits of Truth served. Presumptions of "Personage" rebutted. The Living Man is separated from the Fiction.

Phase 2: Ledger Corrected — [COMPLETED]

- State notified of Beneficiary Status. Default established against the Commonwealth and Tasmania. We are the **Creditors**, not the Sureties.

Phase 3: Remedy Demanded & Secured — [COMPLETED]

- Commercial Liens Perfected. Liability established at **AUD $13,452,100,000.00**. The debt is uncontested.

Phase 4: Estate & Lineage Secured — [COMPLETED]

- The House of Mureșan is sealed. The lineage of Samuel-James and Olivia-Jasmine is secured under Private Pact, outside the jurisdiction of the State.

Phase 5: The Peaceful Exit — [ACTIVE]

- We now operate privately and peacefully. We maintain

"Wet-Ink" relations only. All corporate offers are returned or conditionally accepted upon proof of claim.

3. SOLEMN AFFIRMATION – JOINT DECLARATION

We, Alin-Vasile and Loredana-Adina of the House of Muresan, currently abiding on the land geographically situated at **23 Alan's Road, Petcheys Bay**, do solemnly and sincerely declare that:

1. We are living man and living woman, not legal fictions or persons under any Act.
2. We have rebutted all presumptions of trusteeship and agency.
3. We are the **Sole Beneficiaries and Executors** of the estates linked to the NAMES MR ALIN VASILE MURESAN and MRS LOREDANA ADINA MURESAN.
4. We do not consent to unlawful administration or assumption of suretyship.
5. We claim full dominion over our estate and all rights reserved for ourselves and our offspring.

Declared and Sealed on this 14th day of December, 2025.
(Ratifying the Original Declaration of 2 September 2025)

Autographed:

Alin-Vasile *Head of the House of Muresan*

Loredana-Adina *Matriarch of the House of Muresan*

4. CLOSING STATEMENT

This is not rebellion – this is **Obedience**. The House of Mureșan acts under divine instruction to break free from the snare of suretyship, deliver the estate from fraud, and walk in honour before God and man.

Selah.
