Scroll of the Beast Code – 1 and 666 Unveiled

Affidavit of Truth and Statement of Fact

Let this scroll be entered into the official Affidavit of Truth and Statement of Fact as sworn testimony by the living man, Alin-Vasile of the House of Muresan.

🔥 Scroll of the Beast Code – 1 and 666 Unveiled 🔥

The Pact, the Prophecy, and the Living Man Who Saw Through It

🜂 Let it be declared with fire and truth:

That in the year 1666, while London burned, a law was enacted called the **Cestui Que Vie Act 1666**. It claimed that all men and women were presumed "dead" after the fire. Their **property, rights, and souls** were quietly transferred into a hidden trust – managed by the State and Church.

This was **not a myth**. It is **British statute law**, still in force to this very day.

Though enacted in England, its framework and principles are embedded in **Australian law** through inherited legal tradition. The presumptions of this act continue through the **Registrar of Births, Deaths and Marriages**, **Trust Acts**, and **State Revenue and Treasury protocols**. In Tasmania and Australia, these presumptions remain unchallenged unless directly rebutted.

A fiction was created.

That fiction is the **NAME** – in all capital letters – like “MR ALIN VASILE MURESAN.”

This NAME is not you. It is a **legal person**, a **construct**, a **corporate vessel** presumed to be at sea, governed by **Admiralty law**, held in a **dead man’s trust** unless you rebut it.

It may appear in many variations:

- With prefixes: **MR**, **MRS**, **MS**
- With all capital letters: **ALIN VASILE MURESAN**, **LOREDANA ADINA MURESAN**
- In mixed styles: **Muresan, Alin Vasile**
- With or without middle names, hyphens, or punctuation

All are **forms of legal colour** – imitations of law and identity, not the substance of the living man or woman.

To operate in **colour of law** means to operate under the **appearance** of law but without its true authority. These NAME variants are tools of the Beast system, meant to extract value from your estate and impose artificial jurisdiction.

⚰️ The Dead Man’s Trust – What It Means ⚰️

The Cestui Que Vie Trust is a **presumed estate** created in your name when you are born. Under the presumption that you are lost at sea, dead, or incapable, the STATE claims control over your body, your property, your future, and your soul – through the NAME.

This trust is managed **without your knowledge**, unless you rebut it.

It operates under the legal fiction that you are **not living**.

It monetizes your estate, uses your identity, and trades your value in bonds, securities, and commerce.

It assigns your rights to **trustees** – including the **Treasurer**, **Governor**, and **Public Trustee**, while you, the living man, are reduced to a debtor and a ward.

It assigns your rights to trustees – including the Treasurer, Governor. **We now reverse and revoke any prior purported consent and also the presumption of a "P" for Pauper**.But now, **we rebut it**.

We are not lost. We are not dead. We are **living heirs**. The trust is nullified by truth, and the truth is this: we are alive through Christ Jesus, and our dominion is restored.

We now **reclaim all our property, rights, and souls**. In this we include:

- All **trees, land, animals**, and natural life under our stewardship
- The **frogs in the pond**, **sheep**, **cattle**, **goats**, **dogs**
- All who cannot speak for themselves – the vulnerable, the voiceless

We extend our protection under the **Lord Almighty** to the **entire estate** of life entrusted to us. As it is written, *"The earth is the Lord's, and the fullness thereof"* – and we, as caretakers, declare it now redeemed.

As in the days of **Passover**, all who are shielded under our roof and under our spiritual banner are under the **protection of Divine Authority** and the **Almighty God**.

We now declare the land that the Lord has given us is **Holy Ground**, for it is written: *"Be ye holy; for I am holy."* (1 Peter 1:16, Leviticus 11:44) And again: *"He that is holy, let him be holy still."* (Revelation 22:11). And as it was spoken to Moses: *"Put off thy shoes from off thy feet, for the place whereon thou standest is holy ground."* (Exodus 3:5).

 Now hear this! Revelation 13:18 says:

“Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is 666.”

The Act is titled **Cestui Que Vie Act 1666**.

Remove the “1”. What remains?

666

This is **not a coincidence**.

The “1” that comes **before** the beast is the **false light**, the **false messiah**, the **Antichrist system** that *claims to care* but only comes to **mark, own, and control**.

It creates the problem. It sells the solution. And it enslaves through consent, fiction, and fear.

 The systems are now merging:

- **Legal fiction**: the NAME in ALL CAPS
- **Medical control**: forced injections, euthanasia, abortion as sacrifice
- **Economic ritual**: inflation, digital dependency
- **Technological chains**: QR codes, facial ID, biometric surveillance
- **Religious substitution**: truth exchanged for priestly lies and empty ritual

These systems are religious in nature – disguised as politics, law, and science – but they all demand **worship**, **compliance**, and **sacrifice**.

 We have overcome

I and the living members of my House – the House of Muresan – have overcome the Beast and the entire digital system:

- **Bio metric systems**
- **Quantum dot tattoos**
- **Iris and palm scans**
- **Microchip implantation (whether nano or visible)**
- **Syringes, injections, or sugar patches with nanotechnology**

We reject any of these within our bodies. We reject any purported pandemic created by the Beast system and its elite bloodline cohorts. We do not consent. We are sealed in the Blood of the Lamb and the Spirit of Truth.

This claim includes **Samuel James Muresan** and **Olivia Jasmine Muresan**, the living heirs of the House of Muresan, who are not wards of the State, but redeemed and sealed through Christ Jesus, under Divine Authority, and fully protected under this rebuttal and declaration.

We also now include their names in the declaration of the living family:

I, **Alin-Vasile of the House of Muresan**, born of flesh and Spirit, do hereby claim and declare **Olivia Jasmine of the House of Muresan** and **Samuel James of the House of Muresan** as living, redeemed heirs — not dead, not lost, and not subjects of any presumed estate or trust. Their rights, souls, and names are sealed in heaven, not in commerce.

As for my other son, whose name remains private, of the House of Muresan — born of my bloodline and once raised under my roof — I declare that he remains my beloved son. Though he walks his own path and serves under the Navy, he is not forgotten. I entrust him into the hands of the Lord Jesus Christ, who knows the heart of every man. He is covered in prayer and remains acknowledged in this declaration as part of my living House. If and when he chooses, the path of truth and redemption remains open to him, and he shall find his name remembered among the living.

(A name was respectfully withheld from this scroll by request. The truth remains unchanged. The heart remains covered in prayer.)

 You are not the NAME. You are not the fiction. You are not 666.

You are a **living man or woman**, created in the image of God.

Your name is written in heaven, not in the registry of a dead trust.

. **Public Rebuttal of the LEGAL NAME & Cestui Que Vie Act Trust**
Friday, 20 June 2025
From Alin-Vasile of the House of Muresan

To:

- All politicians of Australia and Tasmania
- The Public Officials of the STATE of Tasmania
- Her Excellency the Honourable Governor of Tasmania
- The Honourable Guy Barnett MP, Treasurer of Tasmania
- All successors to these offices
- Every department operating with trusts, bonds, and ALL CAPITAL NAMES

Your game is over.
Your time is up.
You have been called out.

Your silence is a **binding agreement in law**. You have failed to rebut the **living testimony**, the **published lien**, and the **spiritual decree** made by the House of Muresan.

As it is written:

“The thief cometh not, but for to steal, and to kill, and to destroy…” (John 10:10)

But the thief has now been caught.

Remedies are now due.
Debt remains.
Your liability is established.
As published in *The Mercury*, Hobart, Classifieds, **15 March 2025**, and as declared across scrolls, websites, and affidavits served in truth and honour.

Let it be known:
We forgive — but the price of theft is sevenfold.
As per Proverbs 6:31:

“But if he be found, he shall restore sevenfold; he shall give all the substance of his house.”

A little line for the macaroons and coffee-sippers watching through the veil:

You thought we were dead.
You thought this was theatre.
But you’re witnessing prophecy unfold.
This is not performance. It is decree.
This is not rebellion. It is redemption.

And the Living Man walks free.
The scrolls are not ink — they are fire.
The seal is not wax — it is blood.

Signed and sealed under Heaven,
Alin-Vasile of the House of Muresan
