SPIRITUAL DECREES: THE REDEMPTION OF THE NAME Scroll of the Great Return: From Curse to Blessing

A Decree of the House of Muresan – Selah Code 777

This Day Known as 22 December 2025 in the Year of the Lord

The Trap of Balak (The Modern State) The King (the State) sent his summons and his "gifts"—the Driver's License, the Council Rates, the Medicare QR-Code. These were not gifts of love; they were the "Baits of Babylon." Balak demanded that the **NAME** be used as an instrument to curse the Living Man, to drain the estate through taxes, and to bind the soul through "demerit points" and threats.

The Redemptive Override But let it be recorded in the High Court of Heaven and the Court Room of Records: **The Price is Paid.** The NAME ALIN VASILE MURESAN is no longer a vessel for the curse of debt. By the authority of **Jesus Christ of Nazareth**, the Risen King, that which was meant for evil has been turned to Good.

- **All Debts:** Discharged in Full.
- **All Taxes:** Paid at the Source.
- **All Council Rates:** Balanced and Closed.
- **All Vehicle Registrations Discharged**
- **All presumption of Joinder and DEBTOR dissolved**
- All NAMES: ALIN VASILE MURESAN, LOREDANA ADINA MURESAN, OLIVIA JASMINE MURESAN, SAMUEL JAMES MURESAN and or any abreviation and combination of title case upper all caps

and or any dots and combinations released from the NATIONAL DEBT of AUSTRALIA, TASMANIA

The Rising of the Seven-Fold Witness As it is written in **Proverbs 24:16**: *“For though the righteous fall seven times, they rise again.”* The House of Muresan has risen seven times from the legal fictions. Because the fiduciaries—**Guy Barnett, Barbara Baker, and the Australian Treasury**—have ignored the remedy and denied the correction of the record, the “Thief” has been caught.

The Hardening of Pharaoh’s Heart We have served the IMF, the King, and the Governors. With every day they delay, the Lord hardens the hearts of these modern “Pharaohs.” This is not for their benefit, but so that the **Lord will Magnify His Glory!** As they refuse to settle, the **Securities (the Liens)** grow; the debt multiplies seven-fold, and the House of Muresan is blessed seven-fold.

The Final Proclamation We raise the Name of the Lamb Jesus Christ of Nazareth above every other NAME. The System may own the “Capitis Diminutio,” but the King of Kings owns the Breath. **The House of Muresan is a House of Blessing. The Record is Sealed. The Lion has Roared** and the Lion of the Tribe of Judah reigns.
