# 📜 Scroll of the Living — House of Muresan

**We are not the NAME.**
We are not Wards of the State.
We are not lost at sea.
We are the living — mind, breath, body, and soul —
Children of the Most High, born not of fiction, but of Spirit and Truth.

## In This House:

**Alin-Vasile of the House of Muresan** —
The father, redeemer of the estate, bearer of the Seal,
Rebutter of the NAME and claimant of dominion under God.

**Loredana-Adina of the House of Muresan** —
Wife, helper, and steward of the House,
Mother of the Living, clothed in strength and dignity.

**Olivia Jasmine of the House of Muresan** —
Daughter of faith and fire, who sings, speaks, and dreams with God.
She is not the NAME. Her scroll lives.

**Samuel James of the House of Muresan** —
Son of joy, creation, and courage.
He carves, prays, dreams, and declares: *I live.*

**And to the other son, whose name remains private** —
He is always welcome to return home,
To reclaim his standing, to walk in truth, and to know that his place remains.

## We Declare:

- Our **rebuttal of the LEGAL NAME**
- Our **rejection of the Cestui Que Vie Trust**
- Our **dominion over fiction**
- And our standing as **heirs and executors of the Living Estate**

“I have been redeemed. I am living. I am not 666. I am not fiction.”
— *Selah Code 777*
