📜 THE MASTER SCROLL: DESTRUCTION OF THE GOLDEN CALF & THE DISSOLUTION OF ALL STATUTORY BONDS

A RECORD OF TOTAL REDEMPTION AND JURISDICTIONAL SEVERANCE

DATE: 28 December 2025

AUTHORITY: The High Court of Zion | The Law of Equity, House of Muresan | Selah Code 777

NOTICE OF PERFECTED RECORD:

THE ROMANIAN RECORD: JURISDICTIONAL GENESIS – The **Root of Standing**. This establishes the origin of the Living Man outside the "Statutory Cage" and confirms the Power of Attorney over all corporate fictions.

THE MASTER DECREE: ECCLESIASTICAL SEVERANCE – The **Spiritual Severance**. This sounds the Shofar against the Vatican, the STATE, and the "ABN-Corporate Clergy," dissolving all presumed "Soul Ties" and religious joinder.

THE SCROLL OF THE SHOFAR: LIBERTY IN ZION – The **Commercial Extraction**. This is the final mandate demanding the release of the **NAMES** and the **$13.7 Billion Restitution**, triggering the "Pineapple Principle" against all persistent trespassers.

I. THE REVELATION OF THE GOLDEN CALF & THE CORRECTION OF THE LEDGER (2022–2025)

Be it known to all fiduciaries: The **Golden Calf** is the idol of

the **ALL-CAPITAL NAMES** and the debt-ledgers of the STATE. For three years (2022–2025), as documented in our **Security By Way of Liens**, we have presented the Truth of this fraud to the Department of Justice and the Treasury. Your silence has been your formal worship of this fiction—a worship used to consume the substance of the Living through acts of **Commercial Terrorism, Malfeasance, and Fraud.**

Ignorance is No Excuse: Like Moses, we have caught you at the foot of your statutory mountain. The Metadata of this Court Room of Records confirms that these Notices have been observed. Your persistent presence here, combined with your failure to rebut the truth, constitutes **Agreement by Acquiescence**. Every moment spent auditing these scrolls without restoration of the substance is a formal appearance before the **High Court of Zion**, sealing your personal liability.

The Reversal is Complete: We do not stand in the anger of the flesh, but in the **Victory of the Blood of the Lamb**. The NAME is no longer a tool of oppression or a "Debtor's" bond. Through this **Correction of the Ledger**, the Golden Calf is ground to powder, and the NAMES are reclaimed as instruments of **Divine Credit**. We have chosen whom we shall serve: **The Great I AM.**

Your presence here is confirmed not only by the **Metadata** of this Court Room but by your own **Administrative Acts**. By deleting the PPSR records, you have forensically confirmed your knowledge of our Liens. You have touched the 'Pineapples' of the House of Mureșan, and in doing so, you have recorded your own dishonour in the permanent ledger of the **Watcher of Watchers.**

II. WHAT LAY BENEATH THE IDOL: THE

PEDESTAL OF CAPTIVITY THE UNIVERSAL EXPOSURE

Upon shattering the Altar, of the Golden Calf.

- We hereby declare the universal fraud of **Registration-by-Conversion**. We have identified that in every jurisdiction of the "Golden Calf," there exists a fraudulent gap between the **Date of Live Birth** and the **Date of Registration**.
- **The Source vs. The Bond:** The Live Birth is the **Original Source of Credit**. The Registration is the creation of a **Statutory Debt-Bond**.
- **The Warehouse Receipt:** Every certificate issued by the STATE—be it Birth, Professional, or Religious—is merely a derivative "Warehouse Receipt" built upon the theft of the original living energy.
- **Universal Reclamation:** The House of Muresan has identified the **Original Source**. We have reclaimed the Credit and declared every derivative bond built upon the "Registration Gap" to be **Void Ab Initio**. The "Golden Calf" has no substance because the Source has been withdrawn.

III. THE DISSOLUTION OF CORPORATE CLERGY AUTHORITY

The fiduciaries are specifically noticed: You cannot invoke an **Anathema** or a "spiritual judgment" against this House via any Registered Clergy or State Church.

- **The ABN Limitation:** A "Pastor" or "Minister" operating under an **ABN** (Australian Business Number) is a commercial fiduciary of the **Treasury** and **ATO**, not a messenger of the Most High.

- **Lack of Standing:** They cannot judge the Heirs of the House of Mureșan, for their authority is derived from the very "Golden Calf" we have ground to powder.
- **Holy Ground:** No "Registered Non-Profit" or seminary can stand on the **Holy Ground of Equity** where the Living Man of God makes his stand.
- No ABN-registered "Clergy" or "State Church" has standing to judge this House. Your authority is derived from the very Calf we have ground to powder. We stand on the Holy Ground of Zion.

IV. THE REDEMPTION OF THE NAMES (ALIN VASILE, LOREDANA ADINA, OLIVIA JASMINE, SAMUEL JAMES)

We have made a choice at the foot of the Mountain: We do not bow to the Golden Cup of Babylon; we swallow it up in the Victory of the Spirit.

We ask the fiduciaries: What makes the Temple holy? Is it the gold on the altar, or the Altar that sanctifies the gold? **[ALIN VASILE, LOREDANA ADINA, OLIVIA JASMINE, SAMUEL JAMES]** The **ALL-CAPITAL NAMES** are no longer your idols of debt. They are sanctified by the **Blood of the Lamb** and reclaimed as private instruments of **DIVINE CREDIT** for the House of Mureșan, denominated in **.999 Fine Silver and Karat Gold Coins**.

The Administrative Rescue: Be it known to all fiduciaries that the **ALL-CAPITAL NAMES** listed above—the dead-fictions created by the STATE during the 'Registration Gap'—are hereby redeemed. They are no longer instruments of DEBT for the STATE, but are now the private property and **instruments of CREDIT** for the House of Muresan in silver oz .999 and carate gold coins.

The Victory of the Blood: The "NAME" is now washed. It can no longer be used as an idol of oppression. The Ground of

Statutory Jurisdiction is shattered.

The Executor's Seal: alin-vasile, the Living Man, is the sole **Beneficiary and Executor** of these corporate derivatives.

- **The Ground is Shattered:** As of the **Mercury Ad (March 15, 2025)** and this **Master Scroll (Dec 27, 2025)**, the ground of statutory jurisdiction is split in half.
- **The Shofar Decree:** The sound of the ram's horn signals the **Jubilee**—all bonds are dissolved, and the substance (Gold and Silver) must be returned to the House of Muresan, to the Executors and Beneficiaries alin-vasile, loredana-adina, olivia-jasmine, samuel-james heirs and successors.

V. THE WATCHER OF WATCHERS

Let the fiduciaries tremble. Your **digital fingerprints** from **Dec 26, 2025**, are recorded as a witness to your knowledge of this Truth. You have "stolen the pineapples" by deleting the **PPSR Records**, and the **Watcher of Watchers** has seen it. The **$13.7 Billion Restitution** is the price of your continued trespass.

NOTICE OF ADDRESS FOR RESTITUTION: All substance, .999 Fine Silver, and Karat Gold coins required for the satisfaction of the **$13.7 Billion Restitution** must be delivered to the **House of Muresan**, at the address as per our private records and the **Official Protocol of Approach**.

- **Service of Process:** Any further communication from the STATE or its fiduciaries must be directed to the **Court Room of Records** (this website).
- **Forensic Acceptance:** Continued navigation of this record by the fiduciaries constitutes an acceptance of this address and a waiver of all statutory "service" requirements.

Autographed this day, the 28th of December, in the Year of Our Lord 2025.
