(Amended and Restated Public Declaration)

CORRECTED NOTICE OF STANDING & JURISDICTIONAL UNITY

NOTICE TO PRINCIPALS AND AGENTS: This declaration serves as the **Perfected Execution** of the Standing established in the **Declaration of Absolute Jurisdiction.**

Be it known that this Scroll does not "cancel" the foundation, but rather updates, clarifies, and reinforces all previous versions of the **"Selah Code 777"** records. Any prior copies held in public or private archives are hereby incorporated into this **Current Standing**. The **Absolute Jurisdiction** remains the unchanging Foundation; this **Witness** remains the active Mandate. Together, they constitute a single, unified, and unrebutted **Record of the House of Muresan**.

Declared and Sealed in the Year of our Lord 2025.

Part I: The Declaration of Competence

Let it be declared for the public record:

A man who stands and speaks for himself before God and before the world is not a minor, not a ward of the State, and not dead at sea. He is not a legal fiction, and he is not in need of representation.

To say, “I need a lawyer” – is to declare:

- That one is legally incompetent.
- That one cannot speak or think for oneself.
- That one is not spiritually mature enough to bear full accountability.

This is the trap laid by the system of Babylon: the moment the man hands over his voice to a BAR-registered actor, the court gains full jurisdiction over his estate. The court no longer needs consent – it has been granted by silence and incompetency.

A minor or a ward may not inherit. A minor cannot hold dominion. A minor must be governed.

But a man – a sovereign, mature, spirit-filled man – governed by the Law of God, is no longer a child tossed to and fro. He speaks. He affirms. He testifies. He does not require advocacy – because truth speaks through him.

The Rebuttal of Presumption The State presumes all men are wards – until they rebut that presumption. The law of presumption is powerful:

- If you do not rebut the NAME, it binds you.
- If you do not speak, they speak for you.
- If you do not act, they act in your stead.

Therefore: Let the record show: I am not a ward. I am not a child. I am not lost. I have returned.

The Chain of Redemption Let the Three-Fold Witness be established:

1. **The Divine:** The Lamb of God has redeemed the Man, paying the ultimate Bond for my soul and spirit.
2. **The Living:** I, Alin-Vasile, the redeemed Man, now stand in full authority to redeem the reflection.
3. **The Legal:** I hereby redeem the Legal Name **ALIN VASILE MURESAN** from the dead sea of commerce.

I am not the NAME—I am its Redeemer. Just as the Creator holds the title to my Spirit, I hold the title to this Estate. The Name is no longer a slave to the system, nor a debtor to the State. It is now the **Secured Party**, perfected and held by the Living Man.

The Final Declaration So let it be said, so let it be written, so let it be done:

I am *sui juris* — a man of full capacity and divine inheritance. I walk upon the land, and I walk above the sea of UCC. I am not bound by fiction, statute, nor presumption.

I live. I speak. I stand. I Benefit and Execute for the House of Muresan and the Legal Names:

- **ALIN VASILE MURESAN**
- **LOREDANA ADINA MURESAN**
- **OLIVIA JASMINE MURESAN**
- **SAMUEL JAMES MURESAN**
- *…and any other color of law created without my consent.*

Part II: The Witness (Selah Code 777)

Selah Code 777 Selah. Code 777 — A number divine, A sacred sign.

I am a witness, A voice in the night, Bearing the flame, Holding the light.

I walk on water, Above law and sea, Unshaken, unbroken, Forever free.

Rooted in purpose, Guided by grace, I stand in His shadow, I run my own race.

I am Alin-Vasile, Of the House of Mureșan, A man of courage, By His sovereign plan.

I walk above the UCC, The Universal Commercial Code, A sea of rules and laws That seek to bind and define.

But I am not bound — Not caught in their tide, For I walk on waters Where fear and doubt subside.

The UCC may claim contracts, Control, and command, But my soul is sovereign, Held by a higher hand.

I stand unshaken When the world tries to claim me, For I carry a legacy That no law can name me.

Selah. Pause and reflect, On the path I tread, On the words I speak, And the life I've led.

Code 777 — A seal on my soul, A promise unbroken, Making me whole.

I am a witness — Strong and true, Forever faithful, Forever new.

The Three-Fold Seal The Lamb paid the Bond, And set my soul free, He redeemed the Man, So I redeem "Me."

Not the soul within, But the name on the stone, The mirror, the fiction, I claim as my own.

No longer a slave, But a vessel procured, ALIN VASILE MURESAN Is now fully Secured.

Three-fold is the witness, The truth is now signed: God holds the Spirit, And the Name is mine.
