STRIKE 1: THE FIRST BLESSING — THE RELEASE FROM THE STATUTORY CAGE

This day known as 22 December in the Year of the Lord 2025

The Executor's Summary: *"When the State said 'No' to the Truth, God said 'Yes' to our Freedom. Allan Jeffrey's refusal to publish the House of Muresan Record was the legal divorce decree. By claiming our record was 'Non-Statutory' and had no 'Court' standing in their world, the State of Tasmania officially confessed: We have no authority over the Living Man. This was Strike 1 for the fiduciaries, and the First Blessing for the Heir. The Lion has Roared."*

If you wish to publish the notice we suggest doing so in one of the newspapers circulating the State.
