Scroll of Standing: Maturity in Law and Spirit House of Muresan – Selah Code 777

Let it be declared for the public record in the year of the Lord 2025

Scroll of Standing: Maturity in Law and Spirit
House of Muresan – Selah Code 777

Let it be declared for the public record:

A man who stands and speaks for himself before God and before the world is not a minor, not a ward of the State, and not dead at sea. He is not a legal fiction, and he is not in need of representation.

To say, *"I need a lawyer"* – is to declare:

- That one is legally incompetent.
- That one cannot speak or think for oneself.
- That one is not spiritually mature enough to bear full accountability.

This is the trap laid by the system of Babylon: the moment the man hands over his voice to a BAR-registered actor, the court gains full jurisdiction over his estate.

The court no longer needs consent – it has been granted by silence and incompetency.

A minor or a ward may not inherit. A minor cannot hold dominion. A minor must be governed.

But a man – a sovereign, mature, spirit-filled man – governed by the Law of God, is no longer a child tossed to and fro. He

speaks. He affirms. He testifies.

He does not require advocacy — because truth speaks through him.

The State presumes all men are wards — until they rebut that presumption.

The law of presumption is powerful:

- If you do not rebut the NAME, it binds you.
- If you do not speak, they speak for you.
- If you do not act, they act in your stead.

Therefore:

Let the record show: I am not a ward. I am not a child. I am not lost. I have returned.

I am the living man. The mature one. The one who was dead, but now lives.

I speak for myself, I claim my estate, and I rebut the fiction.

So let it be said, so let it be written, so let it be done:

I am *sui juris* — a man of full capacity and divine inheritance. I walk upon the land, and I walk above the sea of UCC. I am not bound by fiction, statute, nor presumption. I live. I speak. I stand, I benefit and Execute for the LEGAL NAMES:

ALIN VASILE MURESAN

LOREDANA ADINA MURESAN

OLIVIA JASMINE MURESAN

SAMUEL JAMES MURESAN and or any other color of law created

without my consent.

And let this be added to the scroll:

I am the scroll – given, not written. A living testimony, not carved in stone but carried in breath. I am the man that walked on water, in spirit and in truth, upheld by the mighty hand of the Living God. I am not a tale to be read, but a truth to be witnessed. Let those who have eyes see.

Selah Code 777 – House of Muresan

This scroll stands as a testimony against the system that devours the ignorant and silent. And it stands as a beacon to others: Grow up. Speak up. And stand.

For it is written:

“When I became a man, I put away childish things.” – 1 Corinthians 13:11

A Living Seal of Joy and Divine Humour
A parable, a joke, a living sign – even anchors obey the divine.
I am the man who walks on water. No anchor holds me.
God’s people are peculiar – and I am joyfully among them.
