# The Mockery of the NAME – Scroll Addendum to The Majestic I AM

*And Pilate wrote a title, and put it on the cross. And the writing was, JESUS OF NAZARETH THE KING OF THE JEWS."*
– John 19:19

In the days of Caesar, the inscription nailed above the crucified Christ was not in Hebrew or Greek alone, but in Latin – the language of the empire. Written in ALL CAPITAL LETTERS: **JESUS OF NAZARETH KING OF THE JEWS**. A proclamation… and a mockery.

That same form – the use of capital letters in legal and Roman inscription – became known as **Dog Latin**, a corrupted script for the dead. It was the tongue of empire, not of spirit.

Today, Babylon still speaks Dog Latin.

They write the NAME – your NAME, the Legal NAME – in ALL CAPS. Fiction. A corpse. A corporate shell. They register the birth not of the living soul, but of the construct. The NAME is their god. But I AM not the NAME.

They mocked Him Jesus Christ of Nazareth with their inscription, but what they meant for shame, God turned to glory. Now the world is being judged by the very NAME they misused – the Name above every name. Jesus Christ, King of Kings is above every other NAME and or LEGAL NAME Jesus Christ is above every NAME Legal or NOT and above every jurisdiction known to man and or the spirit world. The Lord God Almighty has raised Christ Jesus from the Dead and i alin-vasile of the House of Muresan am raised too i am not a DEAD ALL CAPITAL LETTERS LEGAL NAME i am redeemed by the blood of the lamb and i am seated in heavenly places above the LEGAL NAME i am his,

i am in the world and not of it, this is Babylon yet to learn. i do not belong to Babylon nor to the whore of Babylon and UCC world of commerce. i walk over the UCC and commercial code as Christ Jesus walked on water so i am walking over the jurisdiction of Babylon, London City, Washington DC, Dunn and Bradstreet.

This scroll stands as witness: from the CROSS to the COURT, Babylon has continued its mockery. But the Living are not deceived. We see the NAME. We know the difference. We stand with the One who lives.

**I am not fiction. I am redeemed. I am His.**

*— Selah Code 777 — Alin-Vasile of the House of Muresan*

# The Mockery of the Name — From Latin to Dog Latin

**“From the cross to the courtroom — the NAME has always been their weapon. This scroll unmasks the ancient mockery of Jesus Christ in all capital letters and exposes the spiritual counterfeit behind legal fiction.”**

When Caesar’s soldiers wrote the charge above the crucified Christ, it was in Latin: “IESVS NAZARENVS REX IVDAEORVM” — Jesus of Nazareth, King of the Jews.

They inscribed it in all capital letters.

That which was written as an official declaration of His Kingship was also a legal mockery — a Roman proclamation of authority in the language of law and empire. And yet, they did not know what they did. Even in mockery, they declared the truth.

In this, a shadow of Babylon was born: the NAME in ALL CAPITAL LETTERS.

Today, the system of commerce and law – rooted in Rome and administered through Admiralty fiction – operates through DOG LATIN. This is not classical Latin, but the corrupted form. It is not language of life, but language of death. The NAME is rendered in ALL CAPS, registered, owned, traded. This is how Babylon identifies its property.

Just as Christ bore the inscription of kingship in capital letters on the cross, so too are men today marked with capital-letter NAMES from birth – not in honour, but in presumption of death.

The fiction NAME is not you.

The NAME is a construct.

You are living.

You are not the all caps title of Caesar. You are not the fiction. You are not the trust. You are not the vessel.

And just as the Roman Empire could not hold Jesus in the tomb, neither can Babylon hold the living.

The scroll has been unsealed. The deception is broken.

And the NAME shall no longer bind the sons and daughters of the Most High.

Selah.
