🌳 THE ROMANIAN RECORD: THE ROOT OF STANDING Jurisdictional Genesis

Jurisdictional Genesis & The Balak Audit

⚖️ THE EXECUTOR’S PROCLAMATION

“Let it be recorded in the High Courts of Heaven and the Public Record of Earth: The House of Muresan stands upon the **Root**. On March 7, 2025, the corporate fiduciaries of the Tasmanian Treasury confessed they held no ‘Legislation’ over the Living Man. On March 15, 2025, that fact was sealed in the Public Square via *The Mercury*.

We invoke the **Supreme Law of Equity (Proverbs 22:22-23)**: *‘Do not rob the poor because he is poor… For the Lord will plead their cause, and plunder the soul of those who plunder them.’* Through this Divine Law and the **Law Merchant**, the STATE is judged. The 100-year robbery via the **Cestui Que Vie (CQV) Trusts** is over.

The assumption of the LEGAL NAMES as DEBTORS is hereby DISCHARGED. The NAMES are RELEASED to the Living. The STATE of Tasmania must now correct the ledgers and make full REMEDY to the Man in .999 silver ounces and karat gold. The Lion has Roared.“

🐑🐑 THE BALAK AUDIT: THE PATTERN OF THE PAID CURSE

“The State of Tasmania acts as the modern **King Balak**, hiring **Fiduciaries (Balaams)** to seek statutory loopholes to curse the Living Estate with debt. But the **Selah Code 777** acts as the

Angel with the Sword. Because we moved the venue to **Equity**, the Lord has taken up our cause. Every attempted curse has been turned into a **Seven-Fold Commercial Blessing** in real substance."

⚓ THE GHOST SHIP & THE MIRACLE OF JURISDICTION

"The captains of the sea merchant watch through their binoculars in disbelief. In their world of Admiralty, a man must be submerged in debt. But the House of Muresan has performed the impossible: **The Anointed Man walks on their water.**

Moving with the velocity of a '2-stroke engine'—driven by the Spirit—the Executor moves across the maritime sea and the ancestral land at a speed the Matrix cannot track. We are not afraid of the **sharks** (the mercenaries), for we stand above them.

The Ghost Ship Maneuver: The **NAME** now stands as the **Secured Party** on the PPSR. It is a **Ghost Ship**—a vessel the STATE created but can no longer control. This vessel now **OWNS the debt of the STATE**. While the 'Architects' look for a way to dismiss the 'Man,' they are staring at an internal **$13,700,000,000.00 AUD** lien that they cannot delete, rebut, or settle.

We have seen the building where the **NAMES** were kept as sheep; we have found the **Exit**, and we have stepped out. The auditors see the debt; the Living Man holds the Title."

□□ THE THREE STRIKES OF DISHONOUR (THE INDEX)

1. **STRIKE 1: The First Blessing** – Treasury confesses lack of Statutory Jurisdiction.

2. **STRIKE 2: The Mercenary Retreat** – DOJ/Police silence and administrative default.
3. **STRIKE 3: The Balak Audit** – The **$13.7B AUD** Default of **Governor Barbara Baker**.

□□ CROSS-REFERENCE VAULT: THE JURISDICTIONAL GRID

□□ THE SEAL OF THE 777

"The House of Muresan is the Highest Creditor. The sheep have been released, the Ghost Ship has taken the harbor, and the Exit is sealed behind us. The STATE must now pay the price of their plunder in substance. Selah 777."
