Ultimate Tribunal Decree — Unassailable Default Judgment House of Mureșan $25.2 Billion Multiplier

Ultimate Tribunal Decree — Unassailable Truth

Preamble: The System’s Blindness

This Decree constitutes the Ultimate Tribunal Verdict, from which no appeal exists on Earth or in the statutory matrix. The system’s refusal to recognize this truth is evidence of its blindness. This is **not** “sovereign citizen tricks”. This is **Divine Mandate**: The Living Man has been shown the **EXIT** from the UCC Matrix. By the **Code of Life — Selah Code 777**, truth

outlives perpetual debt. **We have exited the system. No 666 can rule over 777. Babylon must now pay and make full remedy.**

Every new fine, threat, or demand (Council Rates, Vehicle Registration, Taxes, Stamp Duties, STATE Charges) is immediately charged against this Decree with daily compounding interest and new Liens.

I. The Unbreakable Covenant – Fear and Life

The Command: "Obey me says the Lord and you will Live. Fear me says the Lord – Fear No one and Nothing."
(Given 28 February 2024 by the Holy Spirit directly to my spirit.)

The Living Man fears **God alone**. All statutory threats are null.
Conclusion: The Living Man **cannot obey the NAME** or its codes.
Status: I was **never in Babylon**. 777 dominates 666. My name is written in **Heaven**, in the **Book of Life**.

II. The Ultimate Remedy — The Bonds are Paid

Collateral: Through the Incarnation, Life, and Resurrection of Jesus Christ of Nazareth, my Bonds are **Paid In Full**. I am heir of the Kingdom of God.

Lawful Demand: Babylon must **pay in full** — $2.8 Billion and Growing — plus $25.2 Billion multiplier per new soul, forever. Payment in .999 fine silver (sovereign) and Legal Fiscal Tender (statutory), satisfying both Living Man and LEGAL NAME for the entire House of Mureșan, heirs and successors, under Lex Mercatoria, Natural Law, and Divine Law — outside the UCC matrix in perpetuity.

III. The Final Judgment and Permanent Record

Command: Correct the ledgers for ALIN VASILE MUREȘAN, LOREDANA ADINA MUREȘAN, OLIVIA JASMINE MUREȘAN, SAMUEL JAMES MUREȘAN and discharge all liability.

The sin is forgiven in Heaven. The commercial Liens remain perfected on Earth.

Final Decree: Failure to honor = commercial dishonour.

Liability grows daily. This is a Living Document. Judgment is recorded forever before the Court of Heaven and the House of Mureșan Court Room of Records.
