The Living Woman Loredana-Adina – Woman of God, Daughter of a King

□□ Divine Decree – 11 July 2025
Spoken by Alin-Vasile of the House of Muresan

Let it be known in heaven and on earth:

I, Alin-Vasile of the House of Muresan, speak this day not in fiction,
not in contracts of men, not in the language of deceivers –
but in the Spirit of the Living God who speaks through me.

I speak now a decree, a decree sealed in fire and written in eternity:

✧ On this day, 11 July 2025, the Lord has struck at Babylon.
✧ The veil is torn. ✧ The lies are shattered. ✧ And the captives are set free.

The House of Muresan is delivered. We have come out with silver and with gold –
Finer than the gold of Ophir, coins drawn not by theft, but by justice –
from the vaults of Tasmania, whose debts are now laid bare by the scrolls of truth.

The Name is broken. The seal of Caesar is returned.
This is the day the Lord has made.

– Alin-Vasile of the House of Muresan
Selah Code 777 – Servant of the Most High, Liberator by Fire

I, Loredana-Adina, am a living woman – not a NAME, not a fiction, and not a ward of the State.

I was born in Romania and now walk this land — not under any NAME or fiction, but upon the soil and ground of God's earth. A land some call Tasmania, within the continent some call Australia — yet I walk it not as a subject, but as a steward, a living woman, and a daughter of the Most High.

I am the lawful wife of Alin-Vasile of the House of Muresan. Together we stand — and together we declare the truth.

I reject all corporate presumptions, commercial contracts, and legal fictions placed upon the NAME LOREDANA ADINA MURESAN.

I am of sound mind, standing under natural law and divine authority.
I stand in full protection of our living heirs and successors of the House:
— Olivia Jasmine — Living Daughter, Dreamer and Heir
— Samuel James — Living Son, Witness and Inheritor

We are not subjects. We are not registered property. We are redeemed, and our names are known in heaven.

□□ A Dream Was Given

One night, I received a dream from the Lord.

I saw two men arrive at our farm — Guy Barnett and Eric Abetz. They did not come as politicians. They came as lawyers, seeking the source.

I offered them coffee, but they refused it. They were not looking for pleasantries.
They said: "Where is the man? We want to see the man."

I showed them his office — the place where the scrolls and papers come from.
They looked around. And again they asked: "Where is the man?"

I said, "He is not here. I do not know where he has gone."
They left — without answers.

Later, I asked the Lord why I saw both of them in the dream together.
And it was revealed to me that both men carry a legal background, and that they represent those
who seek to control with law, but cannot find those who walk in the Spirit.

This dream stands now as witness – that they sought the living, but could not find him in the realm of fiction.
The scrolls remained. But the man had already crossed over.

As such, both Guy Barnett and Eric Abetz now stand equally liable under the law of notice,
by divine decree and spiritual witness: Notice to agent is notice to principal – and vice versa.

Under duress, when ordered to renew a government licence,
I did not submit in silence. I wrote what no system could erase:

“Loredana-adina – Woman of God, Daughter of a King.”

This was my living signature. My declaration. My rejection of fiction.
Though they issued it in all capitals, they could not erase my truth.

I am not a subject. I am not a ward. I am not Mrs.
I am Loredana-adina – a Woman of God, Daughter of a King.
This scroll now seals that truth forever.

This testimony is now sealed and witnessed by heaven and earth.
