🌿 Who Is Master Samuel James Muresan

A Living Scroll by the Son of the House of Muresan

I, Samuel James, Son of my father **Alin-Vasile of the House of Muresan** and my mother **Loredana-Adina of the House of Muresan**, declare with joy and confidence:

🌟 I am a Child of God – Not of the STATE.

I am **not a Ward of the STATE**.
I am not the NAME.
I am not the fiction.
I am not the STRAWMAN.
I am not **SAMUEL JAMES MURESAN**.

The NAME is dead.
I live.

🎣 I fish in rivers, in lakes, and in the sea with my father.

He puts the bait on the hook for me.
We fish together.

🏹 I am an archer.
I hit the target with precision.
I practise with my bow. My father is an archer too.
I follow his lead – and I love it.

🐑 I care for the animals.

My sister **Olivia Jasmine** feeds the sheep,
and we feed on the sheep – we know the cycle of life.

I pat the cow, the goats, the sheep.

I chase the ducks and pat them.
I scrub the pigs with a brush.
Sometimes, I collect eggs too.

 I help plant vegetables in the garden.
 I help with fencing.
 I ride with my father on the excavator.
We clear the gutters. We collect wood.
We fix our private road and chop firewood together.

 I play the piano.
I create music from my own imagination – just like Olivia.
I am joyful and happy.
I play and learn life skills at the same time.

 I carve. I make spears. I craft things from wood.
 I swim.
 I walk with my family in nature.
 I go canoeing. I ride in our dinghy.
I skip rocks across the water –
just as my father walks **above the water**, above the fiction, above the UCC.
I mirror him as my leader.

I want my Cestui Que Vie Trust released.

I want to be free.
I want my own island where I can play!

I have seen my **Birth Certificate**,
and my **Living Birth Record**.

I am **not the LEGAL NAME**,
and I am **not registered under the Acts and Statutes of the State of Tasmania**.

□□ I live. I breathe. I speak. I learn.

I play. I create. I dream.

I have **dreams from God**,
and I know He speaks to me too.

□ To All Public Offices:

Let **Mr. Guy Barnett**, Treasurer of Tasmania,
Let **Her Excellency Barbara Baker**, Governor of Tasmania,
Let the **Registrar of Births, Deaths and Marriages**,
Let the **Public Trustee**,
Let all other agents, departments, and employees of the State know:

I live.
I am not dead.
I was never born dead.
I was never lost at sea.
I am redeemed by the Blood of the Lamb.

As are all the **living heirs** of the House of Muresan –
Now and forever in perpetuity.

□ Let this Scroll Speak:

Let it be declared, decreed, and bold:

I, Samuel James of the House of Muresan – I live.
