A Scroll of Testimony — Living Woman, Daughter of the Most High

Description Scroll 001.1 — Testimony of a Living Woman House of Muresan • Truth • Dominion • Grace

Loredana Adina Muresan is a living woman, not a NAME or fiction.
This scroll rebuts the false legal construct assigned to her at birth and the presumed contract formed through the civil marriage ceremony in the State of Victoria.
As wife of Alin-Vasile of the House of Muresan and mother to living heirs, she stands in truth — not in corporate union — under the authority of God, not government.
This is her living testimony, her scroll of rebuttal, and her declaration of spiritual and legal sovereignty.

Who Is Mrs Loredana Adina Muresan ?

I am not the NAME.
I am not “LOREDANA ADINA MURESAN.”
That is a corporate vessel devised by the State.

A Living Woman, Not a Legal Fiction

Born in Romania, I travelled under my mother’s papers at nine years old.
My Romanian Birth Certificate was left behind — not by choice —yet I now know every Birth Certificate hides a **Living Birth Record**.

That record is **mine**, not Caesar's.

I learned this when I examined my husband's Live Birth Record — typed entirely in **ALL CAPITAL LETTERS**, stamped **"BORN ALIVE."** Life was acknowledged, then immediately shrouded in fiction. We strip away that shroud today.

Rib of Man, Covenant of God

As Genesis says, woman is taken from man's side.
I cleave to **Alin-Vasile of the House of Muresan** as one flesh, one covenant — **Not by statute, but by Spirit.** Our union is heavenly, not corporate.

Rebuttal of the Civil-Union Fiction

On paper, a **Civil Marriage Certificate** was issued in the **State of Victoria**.
That ceremony bound the NAME "MR ALIN VASILE MURESAN"
to the NAME "MRS LOREDANA ADINA MURESAN,"
creating yet another **Cestui Que Vie trust** —
another layer of debt and surety to the State.

I hereby rebut every presumption that my marriage is a contract with Victoria, Melbourne, Tasmania, or any State of Australia.
Our covenant is before God alone; no civil registry can claim dominion over it.

I reject:

- All State-created liabilities arising from the civil certificate
- Any suggestion that our household is pledged as surety for public debt
- All fictitious "Family Trusts" formed without our knowing consent

Mother of the Living Breath, Mind Body and Soul– Not a Ward of the STATE

Our son **Samuel James**, our daughter **Olivia Jasmine**, and to the other son, whose name remains private – he is always welcome to return home, to walk in truth, and to reclaim his standing as a living heir in the House of Muresan." are **not Wards of the State**. They are **Children of the Most High**, heirs of promise, living souls under divine law. The word Children and Ward is now Rebutted!

Samuel James, Olivia Jasmine,

They stand as my own heritage and inheritance from the Lord,
fruits of my womb, as arrows in my quiver.

Psalm 127:3-5: "Children are a heritage from the Lord, offspring a reward from Him. Like arrows in the hands of a warrior, children born in one's youth are a blessing. Blessed is the man whose quiver is full of them; they will not be put to shame when they contend with their opponents in court.
