📜 Scroll of Standing — Part III

“The Man of Full Age: Dominion, Inheritance, and Accountability”

House of Muresan — Selah Code 777

Let the third scroll be declared for the public record:

The mark of maturity is not in years —
but in accountability, comprehension, and dominion.

The Scroll of Standing highlights the principles of maturity and governance.

A child avoids responsibility.
A man takes responsibility.
A mature man governs.

3.1 — Dominion Returns When the Man Wakes Up

From Eden until now, the enemy strategy has been simple:

✔ Blind the man
✔ Confuse the man
✔ Silence the man
✔ Represent the man
✔ Control the estate

But when a man **wakes**,
the estate **returns**,
the fiction **collapses**,
and Babylon **panics**.

For the mature man is unstoppable.

He is governed by truth, not policy.
By conscience, not coercion.
By honour, not fear.
By Christ, not Caesar.

3.2 — Inheritance Belongs Only to the Mature

Scripture affirms:

> *"The heir, as long as he is a child, differs nothing from a servant."*
> *— Galatians 4:1*

The child cannot inherit.
The child cannot administer.
The child cannot rule.

But when maturity comes —
the estate shifts.

This is why the system tries to **infantilize** men:

- licences everywhere
- permission for everything
- representation in all matters
- controlled identity (NAME)
- threats and penalties

To keep the living in a permanent state of "childhood" in law.

But once a man declares:

I am of full age.
I am competent.
I am accountable.
I am the living man.

— the game ends.

3.3 — Accountability Is the Seal of 777

The mature man says:

“If I speak it, I stand by it.”
“If I sign it, I mean it.”
“If I testify, I testify in truth.”

He hides nothing.
He fears nothing.
He bends to no fiction.

This is the spirit of 777.

The immature man says:

“I didn’t know.”
“I didn’t mean it.”
“I need someone to speak for me.”

This is the spirit of 666 —
fear, avoidance, silence, evasion.

3.4 — Dominion Is the Fruit of Maturity

A man of full age walks in:

- dominion
- clarity
- courage
- spiritual authority

- lawful authority
- capacity
- honour

This is why the living man Alin-Vasile of the House of Mureșan stands today:

As Beneficiary and Executor of the Estate.
As the living soul above the NAME.
As the man who testifies in truth.
As the one who governs his estate under God and natural law.

3.5 — The Seal of the Mature Man

Let it be written:

I am no longer tossed to and fro.
I am no longer deceived by presumption.
I am no longer governed by fiction.
I am no longer a minor in law.

I have put away childish things.
I stand in full capacity.
I stand in full accountability.
I stand in full inheritance.
I stand in full dominion.
